

00:14 I'm gonna read Isaiah Greg's writing  
00:17 folks biblically I want to do it to a  
00:19 friend that progresses  
00:20 I want to law  
00:22 atheists I wanna shock the witches and  
00:25 warlocks and I want to reward the  
00:27 religious amongst you so I'm gonna read  
00:29 from the Old Testament one section so  
00:32 you can just turn the channel if you  
00:34 want to go listen to the nail gun  
00:36 shooting nails into the board about how  
00:39 great the world is and so here what  
00:42 here's what Isaiah said in the old days  
00:45 they come from a far country from the  
00:48 end of heaven even the Lord and the

00:50 weapons of his indignation to destroy

00:52 the whole earth now what was Isaiah

00:56 talking about that he have a vision in a

00:58 desert did he see a vision or was that a

01:03 UFO landing in the Sinai they come from

01:07 a far country from the end of heaven

01:09 even the Lord in the weapons of his

01:11 indignation to destroy the whole earth

01:13 then he goes on he says how how for the

01:16 day of the Lord is at hand as

01:18 destruction from the Almighty shall come

01:20 therefore shall old hands be slack and

01:23 every heart of man shall melt and they

01:26 shall be afraid pangs and throws shall

01:28 take hold of them they shall be in pain

01:30 as a woman in travail they shall look a  
01:32 ghast at one another their faces shall  
01:35 be faces aflame behold the day the Lord  
01:38 cometh cruel and full of wrath and  
01:39 fierce anger to make the earth a  
01:41 desolation and to destroy the sinners  
01:44 there off out of it now this is an  
01:47 interesting thing to read in sodom and  
01:50 gomorrah where I live I mean all of  
01:52 America is Sodom and Gomorrah with a few  
01:54 pockets of sanity and civility and  
01:56 morality left but living in Sodom and  
01:59 Gomorrah as we all do we ask ourselves  
02:03 do you think God still loves America now  
02:06 this of course is directed only at those

02:08 of you who are not in Hollywood or in  
02:09 the media because as you all know if  
02:11 you're in Hollywood in the media you  
02:12 don't need God in fact you know that  
02:14 you're immortal and you know that you're  
02:16 not gonna scream and cry in the old-age  
02:17 home you know that if God forbid you get  
02:19 a fatal illness you're not gonna cry out  
02:21 to God because there is no God you'll  
02:23 have no one to cry out to but that's  
02:25 okay that's what you want you will only  
02:27 refer to your own self because your self  
02:30 has gotten you so far in life look at  
02:32 the amount of money you make look at all  
02:34 the women that you have and look at what

02:35 you two get away

02:36 with everyday without anyone knowing so

02:38 what do you need a god for what do you

02:41 need an old Hebraic God who had visions

02:45 in the desert probably in your mind

02:46 because well he was deficient in iesson

02:49 had there been sufficient niacin in the

02:52 desert or in the desert foods he would

02:54 never have even seen God there never

02:56 would have been a burning bush never

02:58 would have been the ten commandments

02:59 what he needed for what is the Bible

03:02 what is this thing that people read

03:04 after all they were what how many a

03:06 billion people on the earth they were

03:07 Christians about a billion people who  
03:10 were Muslims and they read their Quran  
03:12 which in many ways is parallel to the  
03:16 Hebraic Bible  
03:17 it's very parallel to the Hebraic Bible  
03:20 and people read it incessantly they're  
03:22 all not all crazy could you say 2  
03:24 million people are insane and that only  
03:26 a Katzenberg Katzenberg Mattson Bergin  
03:28 Ratzenberger know the truth those who  
03:30 boycott in blacklist conservatives those  
03:33 who will have not one thing to do with a  
03:35 conservative voice the new fascists of  
03:38 our time  
03:38 the Katzenberg boys the good liberals of

03:42 our time they don't believe in the bible

03:45 do they they where they need a Bible for

03:46 they are God what is a Hollywood mogul

03:49 need a Bible for they are God himself

03:52 they're more power than God ever had

03:55 they have all the power in the world

03:58 what do they read this old garbage for

04:00 what do they need it for that's smarter

04:02 than 2 billion people on the earth they

04:04 can dismiss 2 billion people on the

04:06 earth as religious fools just as the so

04:11 called leftist comedians say that all of

04:13 those of us who work for an believe in

04:16 Donald Trump's message abroad as

04:18 language and culture are all racists

04:20 they know that they know everything

04:22 don't think they worship the Golden Calf

04:26 called the Academy Award which is the

04:29 Golden Calf of our time

04:31 what is the Golden Calf myth in the

04:33 Bible what was that about

04:35 see this is Friday and it's the

04:37 beginning of the Sabbath for the Jewish

04:39 people the Sabbath for the Muslim people

04:42 on Sunday the Sabbath for the Christian

04:44 people and many of them hear the Bible

04:46 and they believe it but they're all the

04:48 fools you know 2 billion people are

04:50 fooled

04:50 because the smart ones are in Hollywood

04:52 or on Wall Street watchin computers spit

04:55 out numbers but what was the Golden Calf

04:58 what did Exodus tell us about a golden

05:01 calf I'll read it to you and when the

05:03 people saw that Moses delayed to come

05:05 down from the Mount the people gathered

05:07 themselves together unto Aaron and said

05:09 unto him make us a God who shall go

05:12 before us for as for this Moses the man

05:16 that brought us up out of the land of

05:17 Egypt we know not what has become of him

05:20 and Aaron said unto them break off the

05:23 golden rings which are in the ears of

05:25 your wives of your sons and of your

05:28 daughters and bring them unto me and all

05:31 the people broke off the golden rings  
05:33 which are in their ears and brought them  
05:34 unto Aaron and he received it at their  
05:37 hand and fashioned it with a graving  
05:40 tool and made it a molten calf and they  
05:44 said this is thy God o Israel which  
05:48 brought thee up out of the land of Egypt  
05:50 and when Aaron saw this he built an  
05:52 altar before it and Aaron made  
05:54 proclamation said tomorrow tomorrow  
05:57 shall be a feast to the Lord and they  
06:00 rose up and had offerings they sat down  
06:02 to eat drink and be merry and the Lord  
06:05 said to Moses go get the down for thy  
06:10 people that thou broughtest up out of

06:12 the land of Egypt have dealt corruptly

06:14 they have turned the side quickly out of

06:16 the way which I commanded them they have

06:19 made them a molten calf and have

06:22 worshipped it and have sacrificed unto

06:25 it and said this is thy God o Israel

06:27 which brought thee up out of the land of

06:30 Egypt and the Lord said to Moses I have

06:33 seen this people and behold it is a

06:35 stiff-necked people now therefore let me

06:38 alone that my wrath may wax hot against

06:41 them and that I may consume them and I

06:43 will make of thee a great nation so

06:47 that's the short version for exodus of

06:49 what the golden calf means but living in

06:51 arm our modern times today

06:53 what is our golden careful what are our

06:55 golden calves of today it's an

06:58 interesting question what are the golden

07:01 calves of today

07:02 well there are so many you can name

07:03 anything you want

07:04 and I suppose I'm reading this for the

07:07 reason the simple reason that of course

07:09 I'm the author of God faith and reason

07:11 and it's a book that took me over 25

07:14 years to put together really when you

07:16 think about it going all the way back to

07:18 my first quest to find God and I never I

07:21 don't think I ever found them other than

07:23 in my own life and when I get into  
07:24 trouble now I still call out to this God  
07:26 that I don't know if exists and  
07:28 sometimes I hear him answer me I do I  
07:30 hear him answer me  
07:31 it's that still small voice I hear that  
07:34 answer and I still have faith but you  
07:37 know lately I have lost my connection my  
07:39 connectivity to that still small voice I  
07:42 haven't heard it for awhile I don't see  
07:44 it in the media  
07:45 God is so dead not only is God dead  
07:48 because of the social media but God is  
07:51 dead because of the mainstream and even  
07:53 small stream and mid stream media the

07:55 media is the God and the people who own

07:57 the media are the new demigods you

08:00 understand that so why am I talking

08:03 about it well there's a television show

08:05 I've been watching on Netflix that my

08:07 friend told me about last weekend and I

08:09 became a binge watcher of this week

08:11 entitled foutre

08:12 FAU da it's an Israeli production just

08:15 as homeland was an Israeli production

08:17 adapted for American audiences while

08:19 Fowler has not been adapted for American

08:21 audiences it's in Hebrew and Arabic it's

08:24 dubbed or soundbite it but if you like

08:27 the languages of Hebrew and if you like

08:29 the language of the Arabic language and

08:32 if you like action then if you like the

08:35 story of Israeli Special Forces and I

08:38 don't mean the kind in uniform I'm

08:39 talking about the undercover agents who

08:42 kill people in the West Bank who do

08:44 undercover stuff that you would never

08:46 believe could be shown here in America

08:48 this is not a show for the weak-hearted

08:51 when you see interrogations people being

08:55 beaten with sticks by the Palestinians

08:57 when they get an Israeli over the

08:59 Israelis punching people in the face

09:01 when they get someone this is a

09:03 different world the Middle East is not

09:05 the polite world of America here if a  
09:08 cop sneezes he gets arrested there  
09:11 things have done a little differently  
09:12 and so you see the naked raw reality of  
09:16 this struggle over  
09:18 tiny piece of land called Israel the  
09:20 hatred that has gone on for thousands of  
09:22 years that will probably not end for  
09:24 another thousand years and then in the  
09:27 midst of this you see the actors  
09:29 portraying Hamas operatives who in this  
09:32 spare time sit and read the Quran  
09:34 religiously and I mean that religiously  
09:36 every word and they chant as the Jews  
09:39 chant the Torah to themselves or in a

09:42 congregation the Arabs chant from the

09:45 Quran to themselves and to others in the

09:47 congregation and you ask yourself as a

09:50 modern American Sean of all connectivity

09:53 to the old world a man living you know

09:55 the modern world I mean we have

09:57 everything that we possibly could need

09:58 but our souls are empty we scream out to

10:02 have our souls filled and we don't know

10:04 where to turn for the fulfillment that

10:06 we're looking for we turn this way we

10:08 turn that way we eat too much we drink

10:10 too much we take too many medications

10:13 and vitamins but what are we looking for

10:15 we're looking for the fulfillment that

10:17 the religious have in reading their  
10:20 Bible whether they be Christian or Jew  
10:22 or Muslim they read the Bible and they  
10:25 get the fulfillment that they are  
10:26 looking for the fulfillment that can  
10:29 never be had by those who mock those who  
10:32 get it and that my friends is what I  
10:35 mean by God's faith and reason this is  
10:37 the savage nation back in a minute  
10:38 [Music]  
10:49 I understand the audience very well I  
10:51 know exactly what the audience's have  
10:53 done it long enough to know all I gotta  
10:55 do is get up and read the Drudge Report  
10:57 great is a great site unemployment down

11:02 employment uh never been bad from doing

11:07 great just do that and then three four

11:11 others will follow just the you get to

11:13 talking paper in the morning the

11:14 minigraf sheet comes out of the cartel

11:16 they all read it like they wrote it like

11:19 they're there Einstein for reading it

11:20 unemployment down came about to me let

11:24 me read the news to you I'm a news

11:26 reader most creative thing in the world

11:29 I was just read a website to everybody

11:31 make believe you're a genius

11:33 Kim eight huddle in office

11:35 on-again-off-again made jobless rate

11:38 three point eight percent Rosanna return

11:41 Pope tweet with Omaha this is what you  
11:45 get three four five times a day I don't  
11:47 understand how people listen to it I  
11:48 could read it around four seconds if I'm  
11:51 interested in a story every what is the  
11:53 purpose of talk radio just to read  
11:54 websites if that's what you want you're  
11:58 not gonna get it from me I think the  
11:59 most offensive thing I can do against  
12:01 the liberal progressive front is read  
12:04 the Bible do you know that to them and  
12:07 when they hear me read Isaiah or the Old  
12:09 Testament you know that that's more  
12:10 pornographic to them than the most vile  
12:11 xxx pornography which they carry around

12:14 in their iPhones and look at probably

12:16 while going to to an event a family

12:19 event I don't think they have families

12:20 they don't believe in the family

12:22 whatever event they may go to the Bible

12:25 is the most offensive book in the world

12:27 to the vermin in the media it is

12:29 horrible if you quote Deuteronomy if you

12:33 talk about the chosen people from the

12:36 Deuteronomy or you say to them a still

12:39 small voice or you say to them babe as

12:42 their master and women rule over them

12:44 and they say well we're getting you off

12:46 the air nice and that's written by

12:48 Isaiah I didn't write that a babe is

12:50 their master and women rule all with him

12:52 I didn't write it I say I wrote it now

12:54 immediately they write to George Soros

12:56 in Bulgaria they find them in a hidden

12:59 bunker in Bulgaria for a deep

13:02 underground bunker

13:03 to destroy everything decent on the

13:04 planet the warping district attorney's

13:08 races buying government's overturning

13:11 governments while making believe he's

13:14 saving governments by trading against

13:16 their currency I wonder if George Soros

13:19 reads the Bible and believes a word of

13:21 it as for my people a babe is their

13:23 master and women rule over them Isaiah

13:25 wrote that I didn't someone said that on  
13:27 a television show they lose the show if  
13:30 I had a TV show and I got up and I said  
13:32 I'm gonna say to you something that's so  
13:34 controversial but I'm gonna risk saying  
13:36 it as for my people a babe is their  
13:38 master and women rule over them all my  
13:41 sponsors leave the next day I'm out of  
13:44 business it's like a goodbye job get a  
13:48 rose and job you get a savage job you're  
13:50 banned not only in Britain and you're  
13:51 banned in your own country you're thrown  
13:53 out of your own nation and you shall not  
13:57 make your souls detestable by beasts oh  
14:00 I wonder what God meant about that you

14:05 shall not make your souls detestable by  
14:07 beasts the biggest up in Seattle that's  
14:09 that's a way of life or by following me  
14:12 if you have a farm up there you know I'm  
14:15 saying or by anything where with the  
14:17 ground  
14:17 team a--the in Seattle and that's the  
14:19 norm in two men claw which I have set  
14:23 apart for you to hold unclean and also a  
14:27 man or a woman is divine if by a ghost  
14:29 or a familiar spirit shall surely be put  
14:30 to death I mean they killed everyone who  
14:32 didn't obey over there in those old days  
14:34 and by the way if you think it's much  
14:37 different today you're wrong you go into

14:39 a Bedouin encampment and I don't mean in

14:41 a living in a tent you there are many

14:43 beds who have like farms and ranches

14:45 like we do out west here they raise

14:47 cattle you you veer off the teachings of

14:50 that Quran they will almost beat you to

14:53 death they don't ask you in a nice way

14:56 if you're the son and you do something

14:58 weird like you put on let's say your

14:59 sisters clothes and they they find

15:01 you're putting on their mascara and your

15:02 sister's clothes over there and in the

15:05 Bedouin area they don't take you for

15:07 therapy they hang you up from a rafter

15:09 in the barn and beat you till you're

15:11 almost dead that's the way the  
15:14 middle-east works it's a really  
15:15 different world in the world  
15:16 were used to and something that the  
15:18 lily-white American can never ever  
15:21 understand here if you sneeze they have  
15:24 you arrested if someone sneezes in New  
15:26 York City and goes huh choo and you're a  
15:29 very sensitive Jewish person you can  
15:31 scream it's a hate crime that's the way  
15:33 the world works this is the world we're  
15:35 living in so who's crazier somebody is  
15:38 crazy the Bedouin who beats his son for  
15:40 cross-dressing or the American who was  
15:42 so sensitive that if a mere whisper of

15:45 something that might be offensive

15:46 crosses their ears they call the the

15:49 political or police the political police

15:51 come out with the fire hoses and they

15:54 start to spray the Fahrenheit 451 lotion

15:58 on the words uttered by the offender

16:01 that's a nice that's a nice use of words

16:04 I'm proud that I connected the pearls of

16:07 words just now for you question should I

16:10 do a savage sermon once a week on Friday

16:14 otherwise I can read The Drudge Report

16:16 unemployment down Trump

16:21 [Music]

16:31 now I become speechless when I hear

16:34 great music I can't talk to yours come

16:36 to my eyes because I realized how small

16:38 I am compared to the great minds that

16:41 have traversed this planet when you

16:43 listen to Mozart at his best and you

16:46 compare it let's say to a rapper Kanye

16:50 West or whoever you want to do can

16:51 hardly speak English but makes fifty

16:53 million dollars a day or whatever and

16:55 you realize that the base times that

16:57 we're living in where if Mozart were

16:59 alive today they would probably kill him

17:00 for offending the public he couldn't get

17:03 a job in Hollywood let's say there was a

17:05 mozart of today he went to Hollywood to

17:07 try and get a job writing film scores he

17:09 wouldn't even get through the front door

17:11 they'd say what are you crazy that's not

17:13 for the public they don't even know what

17:14 you're doing if he went to a university

17:16 to say you're a European white male get

17:18 out of here you can't you can't even

17:20 teach here you can't play music no sir

17:22 so the greats are gone now look don't

17:26 think that I'm just gonna ramble on

17:28 today I mean I had the regular show

17:30 ready about North Korea I actually had

17:33 it ready for you go you know do you

17:36 think Kim is playing Trump should we

17:39 again discuss Beach girl beating by cop

17:41 which I'm gonna do by the way what are

17:43 the hysterical hatreds of our time but I

17:46 don't know what came over me something

17:48 took took him took me over I started

17:51 reading the Bible would you believe that

17:52 I became a medium for God I forgot

17:56 myself for a minute for one second I

18:00 forgot my temporal self and the deeper

18:02 man the man has written 30 books the man

18:06 who has rescued the folklore of numerous

18:09 indigenous cultures and whose plant

18:12 collections reside reside in seven

18:15 museums around the world the man whose

18:17 words have gotten abandoned Britain that

18:20 man suddenly for one moment dipped into

18:22 the Bible so I apologize for the duality

18:27 and I apologize for the what do they  
18:30 call it today  
18:31 bipolar nature of the show because it's  
18:34 either high or low you can't have both  
18:36 can you you can have both in fact in the  
18:38 same breath you can go high and low look  
18:40 with Jeremiah wrote and tell me if it  
18:43 has no  
18:44 no application today Jeremiah ancient  
18:47 prophet certainly couldn't get a job  
18:50 screenwriting in Hollywood they say  
18:52 who's that crank out there what the hell  
18:55 is he talking about what are you right  
18:57 and I brought you into a land of  
18:59 fruitful fields to eat the fruit thereof

19:01 and the good thereof but when you  
19:03 entered you defiled my land and made my  
19:05 heritage an abomination get it out of my  
19:07 office you'll never work in this town  
19:09 again what do you mean an abomination  
19:11 he's the abomination for talking about  
19:14 the abomination What did he say on the  
19:17 way out the door what I want to hear  
19:19 that nut the priest said not where is  
19:21 the Lord and they that handle or knew me  
19:23 not and the rulers transgressed against  
19:26 me the prophets also prophesied by bow  
19:29 and walked after things that do not  
19:31 profit what is he talking about give  
19:34 that guy medication lock him up send it

19:37 to Cedars Sinai I never want to see him

19:39 in the studio again send him to Netflix

19:43 how can you say I'm not to file I am NOT

19:46 gone after the baleen see thy way in the

19:48 valley now what is all of this gibberish

19:50 thou art a Swift young camel traversing

19:54 her ways what the heck does that mean

19:55 why if there were no Swift young camels

19:58 we couldn't make a movie why if there

20:00 were no Swift young camels traversing

20:03 her ways Harvey Weinstein would still be

20:05 in business but that Harvey Weinstein

20:07 would never have been in business well

20:09 they know swift young camels traversing

20:11 their ways what's that next thing he

20:14 wrote a wild ass used to the wilderness

20:16 that snuff is up the wind in her desire

20:19 her lust who can hinder it and all that

20:22 they seek her will not weary themselves

20:24 in her month they shall find her what is

20:27 that old man writing hmm what is an old

20:30 man writing as the thief is ashamed when

20:34 he is found so is the house of Israel a

20:36 shame they their kings their princes and

20:39 their priests and their prophets who say

20:42 to a stock thou art my father and to a

20:44 stone thou hast brought us forth for

20:47 they have turned their back on to me and

20:48 not their face but in the time of their

20:51 trouble they will say arise and save us

20:53 but where are thy gods that thou hast  
20:55 made thee let them our  
20:57 if they can save the in time of their  
20:59 trouble so if you think that the times  
21:03 of today are bipolar or schizophrenic  
21:05 you're right but it seems to me they've  
21:07 always been schizophrenic and bipolar  
21:08 here you had in biblical times profits  
21:12 arising saying that the people had gone  
21:14 astray or listening to the Word of God  
21:16 and how are the prophets treated in  
21:18 their time were they banned by Fox News  
21:20 were they banned in Britain where they  
21:22 never mentioned in the media were they  
21:24 the invisible men of their time like

21:26 blacks were in America in the 1940s were

21:29 they the invisible men of the Bible well

21:32 they're in the visible men of our time

21:34 now you understand nothing about what I

21:37 want to talk about today I don't even

21:38 know why I'm reading this to you today I

21:40 do know why in a way I saw a story last

21:43 night it didn't disturb me but it kind

21:45 of it shook me in a little bit shook me

21:48 up a little bit I don't think I could

21:49 find it yet I didn't want to post it on

21:52 my website Michael Savage that kind I

21:53 was embarrassed by the story the

21:57 grandson of the chief former chief rabbi

21:59 of Israel who got married had children

22:03 became gay and married his boyfriend

22:05 another Orthodox Jew so I said wait a

22:08 minute

22:08 let me see this story again I I don't

22:09 understand this story now we know that

22:13 the Arabs do not accept same-sex

22:16 marriage that that's a given so far

22:18 haven't seen it occur yet in Qatar or in

22:21 a Saudi Arabia haven't seen that

22:22 progressive yet the progressiveness yet

22:24 of a gay marriage in Saudi Arabia or in

22:28 any of those countries they still live

22:30 very much like the Old Testament writes

22:33 you see them saying but the Jews are

22:35 modern lying the Jewish people in Israel

22:37 are just like those in Hollywood in New  
22:39 York oh they have their religious nuts  
22:42 who they hate the ones who throw rocks  
22:45 at them on Saturday and Mayor Shireen  
22:47 you think I didn't know about that but I  
22:49 do if none religious Jew drives through  
22:52 the religious quarters on their Sabbath  
22:54 the religious Jew stone the cars they  
22:56 throw rocks at them so they have their  
22:58 bipolar Society we have our bipolar  
23:00 Society  
23:01 oh and well what else is new about it  
23:04 the grand rabbi of Israel of the  
23:06 Sephardic Jews that's the Sephardic Jews  
23:09 would not the Ashkenazi the Ashkenazi

23:11 European descent the Sephardic Jews are  
23:13 those who descend from Spain and  
23:16 Portugal which is kind of weird in a way  
23:20 because they emigrated to Spain and  
23:21 Portugal but they look different they  
23:23 are usually more Arabic looking  
23:24 Sephardic Jews generally look like Arabs  
23:26 in fact they're indistinguishable you  
23:28 cannot tell a difference the average  
23:30 person can't tell the difference which  
23:31 is why many of the Israeli Special  
23:34 Forces undercover agents look Arabic and  
23:37 speak Arabic fluently because you can't  
23:39 tell a difference especially an American  
23:41 couldn't but that that that's not a hint

23:43 in there what I'm saying to you is I see

23:46 the story grandson of the former chief

23:48 rabbi of the Sephardic Jewish community

23:50 in Israel Orthodox Jew becomes gay says

23:55 he's gay or decided he was gay I don't

23:57 know ok then he says he fell in love

24:00 with it another Orthodox Jew and married

24:02 him

24:03 there's something about this story

24:05 that's worth talking about but I don't

24:07 know how to talk about this you know

24:09 some don't we get this story what is

24:13 that story telling us what tells us a

24:17 thousand different things depends upon

24:18 whether you're in Hollywood ari odd in

24:21 Hollywood it would say it's liberation  
24:22 and it's about time they drop that old  
24:25 stodgy religion in Riyadh they would say  
24:28 that's why we hate Israel hate the Jews  
24:29 behind their backs even though we make  
24:31 believe they're working with them now  
24:33 because of the president we make believe  
24:35 we like them but we can't wait till  
24:36 they're gone I don't know the whole  
24:38 thing is crazy  
24:39 you try to put you can't put this world  
24:42 together  
24:42 it's like Humpty Dumpty the more you try  
24:45 to put the world together the more it  
24:47 falls apart right Humpty Dumpty remember

24:51 Humpty Dumpty all of these great great  
24:53 fables and all these parables had such  
24:56 grander meanings what was the Humpty  
24:59 Dumpty story about the little Nursery  
25:01 Rhyme for children Humpty Dumpty sat on  
25:03 a wall Humpty Dumpty had a big fall I  
25:06 don't know how the rest of it goes all  
25:09 the king's men in all the kings whatever  
25:10 couldn't put Humpty together again now  
25:12 what is that about  
25:12 that's Harvey Weinstein that's Humpty  
25:15 Dumpty anyone who has wrote it's Rosanne  
25:19 she's Humpty Dumpty now  
25:21 good it's a very good thing I'm on here  
25:24 who else is Humpty Dumpty today anyone

25:27 who's been outed or let us say destroyed

25:32 by accusations true or false

25:35 see we no longer have law in America we

25:37 have the court of public opinion run by

25:40 Mark Zuckerberg and all you gotta do is

25:42 accuse somebody in their life is over no

25:44 trial no trial he did this he did that

25:48 she did this she did that he did that he

25:50 did this in 1963 kissed you against your

25:53 will and you still remember the kiss it

25:55 must have been a heck of a kiss honey

25:56 but you still remember it yeah but I

25:58 want him dead I would have gone I want

26:01 him out of business

26:01 I want his company gone okay gone he's

26:04 out of business

26:05 advertisers flee all of his products are

26:09 taken down any money he gave to the

26:11 universities is not given back but his

26:13 name is taken off the buildings all

26:16 because Humpty Dumpty had a great fall

26:17 that's the truth that's what Humpty

26:20 Dumpty means that's why sometimes the

26:22 simplest Nursery Rhyme has such profound

26:25 meaning and this goes back to my years

26:29 as a young anthropologist I remember

26:31 reading about myths I try to talk about

26:33 that a little bit this week and old

26:36 wives tales and what that meant and I

26:37 learned that the reason so-called old

26:39 wives tales

26:41 sometimes continue through the ages is

26:44 because there's truth in many old wives

26:45 tales you know not all of them but some

26:48 of them actually have truth they're

26:49 based on truths and the nursery rhyme is

26:52 written by the great children's writers

26:55 have universal meaning in any culture so

26:58 that's like empty Dumpty had a great

26:59 fall all the king's horses all the

27:01 king's men couldn't put Humpty together

27:02 again

27:03 who would that be who would be the

27:06 Humpty of politics today who would be

27:08 the Dumpty of how politics today John

27:10 Boehner for example is the Humpty Dumpty

27:12 of today here's a guy who was a complete

27:14 failure stabbed Trump in the back

27:17 retired to some cheap condominium in

27:19 northern Florida I thought we'd never

27:21 hear from him again but now all of a

27:23 sudden there he is he's back and he's

27:25 doing the most horrible thing is

27:27 attacking the Republican Party saying

27:29 there is no Republican Party because

27:30 Trump is there so he's Humpty Dumpty he

27:33 had a great fall

27:34 do you know what

27:35 humpty-dumpty Boehner is doing now

27:36 remember I used to ridicule John Boehner

27:39 for cryin all the time with the pink tie

27:40 but aside from that for being a leftist

27:43 in the sheep's in Republican clothing

27:46 you know what John Bain his job is now

27:49 now he's back on the road on the road

27:50 again he's using the same stuff Willie

27:53 did he's he's he is a director on the

27:58 board of a marijuana company that's John

28:00 Boehner and he's saying there's no

28:01 Republican Party anymore I'd say there's

28:03 no John Boehner anymore

28:04 it's unbelievable to me there's a Humpty

28:06 Dumpty in many Humpty Dumpty's of our

28:09 time so thanks for listening goodnight

28:12 now see you next week wouldn't we

28:15 wonderful if I could just do 20 30

28:16 minutes of what I want in a day and then

28:19 just hang up he'll turn the microphone

28:21 and go back to watering my lawn and

28:24 eating peanuts but that's not the way it

28:26 works I'll be right back

28:27 [Music]

28:40 hey all you guys out there well women

28:43 who I suppose look it's about

28:45 circulation you've heard me talk about

28:48 it why we all know good circulation it's

28:51 crucial to energy and stamina why brings

28:53 oxygen and nutrients throughout your

28:55 body and helps you exercise longer you

28:57 can do more everyday activities you

28:59 recover more quickly and what you can do

29:02 to promote healthy circulation I've told

29:03 you and I'll tell you again is drink

29:04 super beats we know beats are good for

29:06 you I can't eat them myself and I like

29:08 them but super beats promotes the body's

29:11 own natural ability to produce

29:13 healthiest circulation for increased

29:15 energy and stamina all day long and only

29:17 super beats is made from beets grown to

29:19 very exact standards they concentrate

29:20 them at the superfood crystals so listen

29:23 to me if you want to improve your

29:24 circulation simply call 800 480 100 500

29:27 for 800 480 105 o 4 or go to savage

29:31 loves beats calm what they're gonna give

29:33 you of course as your order then you're

29:36 gonna get another 30 day supply

29:37 absolutely free and you're gonna get

29:38 indicated strips to test to see how they

29:41 are working in your body right it's

29:43 simple and free shipping so call 800 480

29:46 1-0 504 or go to savage lows beats calm

29:49 today so what was I talking about did a

29:54 sermon I didn't do the news and I didn't

29:57 ask you to or should we again discuss

29:58 the beach girl beating by the cop I

30:00 think I will it's about the most moral

30:03 tale of our time look I got to tell you

30:06 there are rotten apples in all barrels

30:08 and if you're gonna sit here and support  
30:10 no matter what a cop does then you're  
30:13 actually smearing all cops every  
30:16 profession has rotten apples in it I  
30:18 don't care what the profession is and  
30:19 when you see a rotten apple caught on  
30:21 tape beating up a defenseless girl  
30:23 punching her in the face and you support  
30:25 him punching the girl you really have  
30:27 mental troubles you have mental troubles  
30:30 if you support it I know she mouthed off  
30:32 to him I know she had a oh wow it was an  
30:34 alcoholic iced tea there was an open man  
30:36 man he should have shot her because she  
30:38 didn't comply with him he just should

30:40 have shot her on the beach you know I

30:43 talked to some men about this family men

30:46 and they said if I were there I would

30:48 have jumped in I said you would have

30:50 been shot by the cop they said I don't

30:51 care what it it was my daughter

30:53 friend of the family me being beaten by

30:54 that punk thug cop I would have jumped

30:57 in the cop would've shot him this cop is

30:59 a clear and present danger to everyone

31:01 around him he should be fired

31:03 immediately this guy does not belong

31:05 around the gun he should not have a

31:06 right to have a gun he is a hothead no

31:09 control no self-control and probably a

31:12 misogynist to go with it altogether a

31:14 lunatic the guy is a lunatic online

31:18 leave online - what's your opinion

31:20 what's the topic yes dr. Savage you are

31:23 100% right when you I listen to you on

31:26 the on internet every night and when you

31:30 said when you asked your audience to

31:31 look at the tape before they called it I

31:33 couldn't really look at the tape last

31:34 night because I'll never get any sleep

31:37 however I want to say to you that you

31:39 are indeed a credit to your profession

31:41 everything that you noted on that tape I

31:43 saw I think that it was a physical as

31:46 well as sexual assault without a doubt

31:49 uh-huh mr. cop the cop asked her he said

31:52 what is your last name he was true

31:54 because she had dark hair he was trying

31:56 to determine her ethnicity what cop

31:59 asked you for your last name he said

32:00 what's her last name so it was

32:03 definitely close to rape as far as I'm

32:05 concerned and and I every man I spoke to

32:08 it I only spoke to a few said they saw

32:10 the physical thing as much as I did this

32:13 guy what look do you agree with me that

32:15 he was cruising the beach with his pal

32:17 and they've singled these girls out

32:19 figuring that they would get their phone

32:21 numbers and date them or something

32:23 definitely and most a lot of attractive

32:25 women when cops approached them they

32:27 used their sexuality and their

32:29 attractiveness to kind of you know

32:30 smooth it over she wasn't having that

32:33 and that's what upset him and she's also

32:35 a rep this girl's also a rebel she's a

32:38 fighter and I like rebels and I like

32:39 fighters and I admire her for standing

32:42 up to this punk especially since she

32:44 broke the law and he kept pushing her

32:46 after she was found to a broken no law

32:48 until she snapped at him and then he

32:50 said now you're going down what crime

32:52 did she commit

32:54 [Music]

32:58 warning the savage nation contains of

33:01 dope language of don't content

33:03 psychological nudity listener discretion

33:06 is advised

33:07 [Music]

33:10 now here he is author of liberalism is a

33:14 mental disorder

33:15 Trump's war and God faith and recently

33:18 Michael Savage welcome back welcome back

33:22 to a rebel with a cause the savage

33:24 station yeah

33:30 I had the questions all lined up guys

33:34 worked all day on sound and on topics

33:36 and I did and all of a sudden that in no

33:39 way the bipolar kicks in and I read the  
33:41 Bible and all of a sudden the Bible  
33:45 becomes the show then all of a sudden  
33:48 the other side kicks in and I talk about  
33:49 the beach girl being beaten by the thug  
33:51 cop don't know where you're gonna go do  
33:54 you well keep him guessing Harry so the  
34:00 phone number here is 855 407 - 8 - it's  
34:04 open Mike - Mike Friday you know if  
34:06 you've been listening where I'm at beach  
34:08 girl beating God where is God I don't  
34:12 even know why the God today I mean it's  
34:14 Friday it's the beginning of the Sabbath  
34:17 for three major religions on planet  
34:19 earth and Hollywood of course there's no

34:21 difference between a Friday and a Monday

34:22 and a Tuesday it's coke city every day

34:26 but for our billions of people is the

34:29 beginning of the Sabbath for the Jews

34:30 beginning of the Sabbath - of the Muslim

34:33 Sabbath for the Christians on Sunday I

34:35 know it's dead it's old stuff I get it

34:37 we're not like we're modern people we're

34:40 not like the picture of our

34:41 great-grandfather you know that everyone

34:43 listening to this show no matter how far

34:46 removed you are from anything whatsoever

34:49 to do with religion you're only about no

34:51 more than three generations away from a

34:52 religious person that's right that's

34:55 right that's even if you're Katzenberg

34:57 Katzenberg Madson burger Ratzenberger

34:58 you probably had a rabbi in your family

35:00 you wouldn't believe it go dust off the

35:03 picture put it up there Geoffrey put it

35:05 on your mantle and then look at his eyes

35:09 Geoffrey every morning and ask your

35:10 great-grandfather Jeff what he thinks of

35:13 you and what do you approve of what

35:15 you're doing today to yourself and

35:17 others ha ha ha

35:19 try it you try that one I'll tell you

35:22 the money here's something funny

35:23 I received a picture of my

35:25 great-grandfather I ain't doing there

35:28 about a month ago I don't know how  
35:30 someone in the family never heard I was  
35:32 doing the archives and a picture comes  
35:34 in of a great-grandfather I never met  
35:37 from the old country very religious man  
35:39 died young another one died another  
35:41 heart attack job in the third  
35:43 this one none of her lived long so I'm  
35:47 not mocking the guy diagnosed I I have  
35:49 the picture was colorized from a  
35:51 daguerreotype suit Thai caftan beard  
35:56 like a reddish beard I know where the  
35:58 gene came from now the reddish very  
36:01 serious man they all know it's mild in  
36:03 pictures in those days like 1870

36:06 everyone was so CA is like terrifying to  
36:08 them it's like you think of a Native  
36:09 American as pictures being taken like  
36:11 their soul is being taken from them  
36:12 don't go near that thing you know but I  
36:16 look at it everyday as I walk by and I  
36:17 see him staring at me like is I keep it  
36:20 on a bookshelf and underneath the  
36:23 bookshelf is the dogs dishes so every  
36:27 day that I bend down to give the dog  
36:29 food I see him looking at me and saying  
36:30 to me this is what you do you serve a  
36:33 dog on your knees and I said this  
36:34 different world in the one you lived in  
36:36 and he looks at me sister II that's what

36:38 you do you serve a dog on your knees or  
36:39 water and food this is what you do with  
36:42 your life I said no I don't do that I'm  
36:44 taking care of a little dog this is what  
36:45 you sow stuff like that goes on now like  
36:48 every bite of food I take I have to walk  
36:50 past that picture he's history you're  
36:52 eating that garbage now from  
36:53 refrigerator I've no one to cook for you  
36:55 in other words he lived better than I  
36:56 did in some ways what's that machine you  
36:59 just put it in where's the where's a  
37:01 woman here to cook it for you are you  
37:02 heating it in the machine you can't  
37:04 believe the dialogue I'm having with him

37:05 it's very interesting so I'm about to do  
37:09 the radio show and there he is a staring  
37:10 at me again and he says what do you do  
37:13 for a living I talk on the radio and I  
37:16 write books books what kind of books you  
37:17 write the Bible what do you need to  
37:19 write the Bible for was written for  
37:20 already no no grandpa not the Bible I  
37:24 know that then what do you write that's  
37:25 better than the Bible he says to me well  
37:29 I don't stories it's stories you need to  
37:31 do for what to distract people from the  
37:33 Bible you know to those old guys man  
37:38 everything was about God in the Bible oh  
37:40 I know they didn't know what they were

37:42 doing they didn't have they didn't have

37:44 Bentley's and Porsches and they didn't

37:46 have a Horicon to drive up to a

37:48 restaurant with and Beverly Hills make

37:51 noise go to Gorham the remember

37:55 but those old boys didn't need drugs

37:58 those old boys didn't need pills

38:02 those old boys were able to get through

38:05 it with the pill of God and figure that

38:08 one out so that's what I'm going through

38:11 and I don't know I don't know exactly

38:13 why maybe because I have a headache

38:15 maybe because my b6 is low today

38:18 maybe it's because Teddy's very sick and

38:20 I'm very sad again and I know it's

38:23 inevitable I can see all the signs every  
38:25 morning he wakes up the poor old guy had  
38:27 the cancer surgery and they saved his  
38:29 life and now he's it was pop back but I  
38:31 know you know how much least fifteen  
38:33 years old this little character I don't  
38:35 even see a dog sleeping at night when I  
38:37 see him sleeping peacefully I see a  
38:39 little old man I see the little old man  
38:42 in him who I've had so many good years  
38:44 with 15 good years with him my good  
38:47 friend through thick and through thin  
38:49 through the nipping of the cuffs just 15  
38:54 years he's not dead I'm saying but he's  
38:56 having the x-ray right now as I talk I

38:58 think the cancer spread again and he  
39:00 wakes up in the morning and he coughs  
39:02 and coughs like an old man who was on  
39:03 his death rattling from the fluid  
39:06 leaking back into his lungs from the  
39:07 leaky valve you know I mean look bodies  
39:10 wear out and they like us we see  
39:13 ourselves in our animals that's what he  
39:15 loved us so much but the difference  
39:16 between them and us  
39:17 is they don't complain they don't  
39:20 complain about it on the radio tell you  
39:22 everything is bothering them they don't  
39:23 tell you that a headache or that the  
39:25 allergies are bothering them or their

39:26 feet hurt when they walk their stoical

39:28 why we love our animals that's what we

39:30 love about him sprung in you remember

39:33 them when he little you know he was on

39:34 stage with me you know - you know that

39:36 Oh - when I was on a stage there at the

39:39 Concord Pavilion used to be the

39:40 chronical pavilion but then no one

39:42 bought it anymore

39:43 I was in the mall the other day sad what

39:45 happens to a newspaper but ever poor old

39:46 man who gives what tries to give him

39:48 away it was during a farmers market I'm

39:51 shifting out of giving away newspapers

39:52 that no he can't give them away there's

39:54 a guy in the farmers market with stacks  
39:56 of the San Francisco Chronicle heist  
39:58 active you like a newspaper would you  
40:00 like a newspaper would you like a  
40:02 newspaper and yeah you're embarrassed  
40:04 nothing no one even wants it they can't  
40:06 give it away  
40:06 no one even  
40:08 and even the old white people who eat  
40:09 the melon for free who I hate I get so  
40:13 angry at the old white liberals who walk  
40:15 around a farmers market taking advantage  
40:17 of the poor immigrants they lunch there  
40:20 for nothing they know that the poor  
40:22 Mexicans and Guatemalans are struggling

40:24 and they eat the free the free stuff

40:27 they don't buy anything I feel so angry

40:28 to my business I get infuriated with the

40:31 old the old white liberals they go stand

40:33 to stand

40:34 they don't stop eating they're like like

40:36 rabbits one stand to the other for the

40:40 free would you like the Mexicans and

40:42 nice people sure I'll try it munch munch

40:46 munch munch and they go with nothing in

40:48 the hand i whirled everyone will take

40:51 advantage of you from the highest to the

40:53 lowest level so it's all use and abuse

40:56 its use and abuse you look at the plant

40:59 world there was a botanist for many

41:00 years what do you see in a garden it's

41:02 Darwin's garden wherever you look

41:03 one plant trying to steal the other

41:05 plants light suck the water out of the

41:08 ground yeah it's all Darwin know it's

41:10 all Darwinian the whole world is

41:12 Darwinian whether it's nation to nation

41:13 neighbor to neighbor

41:15 ashes to ashes a dust to dust

41:17 so let's take some calls let's go to a

41:21 favorite caller of mine I know of yours

41:23 as well he's been holding a long time we

41:27 have cops calling about the beach

41:29 beating and we have Aldi Armenian Ali

41:33 Armenian welcome to the savage nation

41:35 from the great powerful flamethrower

41:38 station called WABC al what's on your

41:41 mind

41:42 humans were created as an afterthought

41:44 teeth are the proof the teeth in our

41:46 mouth is proof that we were created

41:49 after otherwise if God wanted us from

41:51 the beginning he would have put all the

41:53 nutrients in air so you just have to

41:55 breathe air to get all your nutrients

41:56 wait let me think about that what you're

41:59 raising an interesting point I don't

42:00 know what you're talking about but it

42:01 sounds interesting because at least it's

42:03 different but I thought about that the

42:05 other day if you want like on earth of a  
42:08 corpse  
42:09 years later or what's left of the bones  
42:13 right right okay so why doesn't he make  
42:17 the flesh eternal let the bones run it I  
42:19 mean why do the bones last the flesh rot  
42:21 away  
42:22 well the body is just a container as we  
42:25 know in the Bible it says that you know  
42:26 there's a soul that's the Holy Spirit  
42:28 where we go up to heaven but the body  
42:30 really stays it doesn't go there all but  
42:33 out you called a couple of weeks ago and  
42:35 you shocked my audience by saying that  
42:37 you're sexually frustrated or something

42:39 yes yes the sexual frustration has led  
42:43 to my questioning of life and when I was  
42:45 five I had two major crisis incidents  
42:48 one was a botched circumcision when I  
42:50 was stop it please I just had a bite of  
42:53 a chicken did you say that for sure real  
42:55 I mean that really happened yes my  
42:58 sister before me had died so did he want  
43:00 to circumcise me at birth but then by  
43:02 the time I was five they were afraid of  
43:04 infection so they put me in circumcision  
43:06 and they did it in such a way that I  
43:08 don't feel anything I have no  
43:10 sensitivity and the male tool that's it  
43:13 we actually superpowers because I could

43:15 control myself better as a I'm not ah so

43:18 you don't have any pre pre emissions

43:20 problems

43:22 whatever you away ahead of the curve

43:24 with regard to low emissions well they

43:28 say it's black and white you you didn't

43:30 need a catalytic converter in other

43:31 words so let me ask you this Ali

43:33 Armenian but you say you have low

43:35 sensitivity in the mail in the mail

43:37 Department but you did get married you

43:39 said and you have children right yes

43:41 yeah they took many years of angry

43:43 girlfriends who thought I didn't love

43:44 them and I didn't like them because it

43:46 wasn't working and but it hold it hold

43:49 it what wasn't working you or the

43:51 relationship no no no because because of

43:54 no sensitivity it's difficult for from

43:57 you know you don't have to fill in the

43:58 blank okay I got it you don't take super

44:00 beats okay but no seriously because of

44:02 low sensitivity you didn't react to

44:04 women you're saying no no I love women I

44:07 used to chase a girl in first grade in

44:08 corner and kiss her I would be arrested

44:10 these days I guess but you're saying

44:13 when you got to the age of having being

44:16 unable to have relations you couldn't do

44:18 so because of no sensitivity well it was

44:21 awkward I would have relations but

44:23 really I went through puberty when I was

44:25 23 what does that mean that means things

44:29 didn't start flowing until I was 23 so I

44:32 had many years of thinking the point is

44:35 about

44:35 thinking about existence right all this

44:37 all these yeah yeah yeah that's what I

44:39 said it's not really I'm not that

44:40 interested in your sexual problems it

44:42 brought you to becoming a thinking

44:43 person because you had sexual problems

44:45 you became a very very thoughtful

44:47 introverted person that's right and they

44:50 at five years old I had a brother that

44:51 was born I was in Syria and my cousin  
44:54 made fun of me that I was going to get  
44:54 drafted into the Syrian army and that  
44:56 was a traumatic incident my grandfather  
44:58 told me that I would be saved when we  
45:00 take you to America and I had no idea  
45:02 what America means but I thank God I  
45:04 live in the United States now and I  
45:06 would go and fight for the United States  
45:07 these days but that's going off at there  
45:09 no that's what I hear but since you last  
45:12 called me has your life gotten better  
45:14 with regard to the romance department  
45:16 with your wife  
45:17 oh it's great she she listened to it she

45:21 rolled her eyes and she tells me she  
45:22 loves me even more now oh because she  
45:25 heard you on my show and that's right  
45:27 all right what is she what is she gonna  
45:29 say today that you revealed too much  
45:31 probably too much yeah I'm not sure if  
45:34 she's gonna listen to this one yeah but  
45:36 you're like a middle-eastern and we just  
45:38 let it all hang out in that regard you  
45:39 don't hide we're giving you my God God  
45:44 needs us that's why he wants us to pray  
45:45 praying as a form of transferring energy  
45:47 to God now let's stop right hold it this  
45:50 is a great topic hold on for one minute  
45:52 I once confronted when I was in my more

45:56 cynical phase a revered scholar in the  
45:59 rabbinical world a very nice guy looked  
46:01 like Woody Allen but he wasn't like  
46:03 Woody Allen and I said to him if God is  
46:05 so great why does he need us to pray to  
46:07 him you know what he said to me he said  
46:10 he said God doesn't need you to pray to  
46:12 him man needs to pray to God yeah I  
46:16 think it's both ways though everything  
46:17 in the universe works together yeah but  
46:20 I think that there's more truth in what  
46:21 he said meaning what happens when we  
46:23 don't have a higher power to bow down to  
46:26 is we lose all connectivity to a higher  
46:31 power and we think we're God ourselves

46:33 and that's what we mean by the Golden  
46:35 Calf that's what we mean by Hollywood  
46:36 that's what we mean by the Academy  
46:37 Awards that's what we mean by the  
46:39 unhinge left they are all godless  
46:41 they're not eyeless in Gaza they're  
46:43 godless and aiza  
46:47 where is he did he go away the praying  
46:51 the praying is a needed on both sides  
46:54 that's mine well I don't know what I  
46:55 don't really feel anything when I pray  
46:57 I'll be frank with you do you feel  
46:58 anything when you pray I do it's a form  
47:01 of yoga it was yoga before Yoga was  
47:03 invented I've tried it in every possible

47:05 form it doesn't work for me I don't know

47:08 I I mean if I go into a house of worship

47:11 and go into the mumbo jumbo I'm supposed

47:13 to feel something and I don't I'm not

47:16 trying to be a mocker here or a cynical

47:18 I don't get anything out of it

47:19 praying and so so so so I relate to God

47:23 in my own way if I wake up early in the

47:26 morning and I stand next to the water

47:27 and I see the bay and I see a bird

47:30 diving for a fish or I see little birds

47:33 coming out of an egg or I see a tomato

47:36 plant growing somehow I know God exists

47:38 out god bless you man I'll be right back

47:41 [Music]

47:51 all right welcome back to the savage

47:53 nature I can look we are talking about

47:54 high to the low with doing a bipolar

47:57 show today I did Bible I did the high

48:00 brow and now we're going back to the

48:01 girl on the beach apparently people

48:03 cannot get enough of that topic Jonathan

48:06 on WABC fire away you're up on the air

48:08 what's on your mind

48:09 dr. Savage I love you but I disagree

48:11 with you on this topic I think both of

48:13 them were wrong the cop was wrong for

48:15 what he did but the girl was wrong for

48:17 walking away from yelling at cursing at

48:20 and pushing a police officer and I think

48:22 it's irresponsible of you to support  
48:23 this so-called rebellious nature that  
48:26 the girl had no I think you're  
48:28 irresponsible to support punching a 20  
48:30 year old girl in the face in the name of  
48:32 the law Jonathan way mister I think the  
48:37 bigger crime is the thuggish cop a man  
48:40 with a gun in a club  
48:42 punching a 20 year old girl in the face  
48:45 Jonathan I think it's very irresponsible  
48:47 of you to equate her actions with his  
48:54 well but you wait by saying they're both  
48:56 wrong you're trying to equate their  
48:58 actions and then you go further and say  
49:01 I'm irresponsible for saying he went

49:03 overboard no because I do absolutely I

49:14 like rebels I've always enjoyed right

49:15 I'm a rebel

49:16 if Authority comes to me and tries to

49:19 assault me what would you expect me to

49:21 do get on my hands and knees and say

49:22 thank you who the hell made him an

49:27 authority that rent-a-cop piece of crap

49:29 what kind of authority is this \$10 an

49:32 hour piece of garbage he should be

49:34 thrown in jail for 20 years he beat up a

49:36 girl he tried to rape that girl that was

49:39 statutory rape as far as I'm concerned

49:41 [Music]

49:53 the savage nation we're moving into the

49:56 second part of the show now I don't know

49:59 what to make you it says Kim ade huddle

50:00 and Oval Office in a drug report

50:02 I don't know if he's talking about the

50:04 one with injected but the injected

50:07 buttocks or the one from North Korea

50:09 what I mean Kim say I know which one

50:11 he's talking about any more people go in

50:14 and out there's two Kim's now to think

50:16 about but this is what's going on today

50:19 it's all crazy on again off again on

50:21 again personally I don't know what to

50:23 make of it I was gonna ask you do you

50:26 think Kim's playing Trump and you think

50:28 he's gonna really denuclearize I don't

50:30 he'll ever sign it there and Singapore

50:33 will knock down some pork chops probably

50:36 you know having the girls waiting from

50:38 in the hotel then we'll go back laughing

50:39 well what's he gonna do what are we

50:41 gonna do to him if he doesn't tell me

50:43 tell me what our options really are it's

50:45 up to China China could starve them it's

50:48 up to China China's letting him do it

50:50 how many years have I said

50:51 Kim's young mentally ill on is the

50:54 junkyard dog of China whenever we push a

50:56 trade thing on China they let him bark

50:59 and snarl at the gate that's only as

51:02 they need him they loosen the chain up

51:04 every time Trump says tariffs on Chinese

51:05 good this one says you can send the nuke

51:08 to Guam they're never gonna stop him

51:10 it's up to China come on you can read

51:12 this from a mile away you'd have to be a

51:14 diplomat or after Bo I have to have a

51:16 walrus moustache to see what's going on

51:19 now let's talk about the the beach girl

51:22 that's all you want to talk about I

51:23 tried Bach I tried Beethoven I tried as

51:25 as he kill I tried God himself but all

51:28 you want to talk about is the beach girl

51:29 so it's the beach girl that's so I'll be

51:32 the same person one way or the other

51:34 somebody will a beast WABC John line

51:38 five you're on the savage nation go

51:40 ahead please come on make it make your

51:46 point fast please I can't hear a word

51:49 you're saying what a police officer has

51:52 the right to ask you your ID and if you

51:55 don't actually well actually you're a

51:57 hundred percent wrong in New Jersey that

51:59 law does not require that you give up

52:01 your ID unless you've been written been

52:02 given a summons and he did not break any

52:05 laws

52:06 she had

52:06 I've been given a summon so you're wrong

52:08 about that well yeah but they can detain

52:10 you until you give no she no they can't

52:13 detain you the two cops were running  
52:16 around with with a breathalyzer they  
52:18 forced her to take the breathalyzer  
52:21 she passed it and they were so  
52:23 frustrated that she wasn't drinking that  
52:26 she walked away from them and mouthed  
52:27 off to them then they said what's your  
52:29 name she didn't have to give the name  
52:31 she knew the law she said I do not have  
52:33 to give you my name and then he went  
52:35 crazy altogether and then he beat her up  
52:37 the check yeah I don't care what you say  
52:40 you don't know the law okay sorry New  
52:43 Jersey's different than every other  
52:45 state in that regard I'm getting all the

52:48 cops now and they retired you see they

52:49 let me explain something to you most

52:52 police are a brotherhood and it's cops

52:55 right or wrong no matter what they do

52:56 they're right and it's the same in many

52:59 professions and I do understand it but I

53:01 am NOT in law enforcement I'm a talk

53:03 show host and I support law enforcement

53:04 in fact it's probably nobody in the

53:07 media who has raised more money for more

53:09 cops and more soldiers than me and I'm

53:11 very proud of it and I've been very

53:12 consistent in supporting police however

53:14 when you get a rotten apple or a

53:16 deranged psychopath why would you

53:20 support a rotten apple or a deranged  
53:22 psychopath with a uniform when that the  
53:24 basis the entire world of policing don't  
53:27 you understand that that is to your  
53:29 advantage as police to call someone out  
53:31 when they're wrong instead of sitting  
53:32 out like a dumbass and a dumbbell  
53:34 sitting all day and I he's right he's  
53:35 right punched her in the face it was  
53:37 only a side of his hand she mouthed off  
53:39 dude she deserved it  
53:41 what kind of mentality is that so you're  
53:43 all wrong that's all you're 100% wrong  
53:46 and the law is not on your side either  
53:48 he gave her the breathalyzer with the

53:50 thing and if you watch the videotape

53:53 it's very very suspicious when he made

53:56 it do it twice and very suggestive by

53:59 the way okay

54:02 WABC Alex line - what's your opinion on

54:05 beach girl 21 I could just tell you look

54:14 I mean you want to treat people the way

54:16 you want to be treated the way your

54:18 sister your mother wants to be treated

54:20 mmm-hmm she came over he looked at the

54:23 alcohol it was close that's a taste

54:27 quote why should the breathalyzer anyway

54:31 you're making a good point why did he

54:34 then force her to take a breathalyzer

54:35 because he was harassing her

54:40 no I'm saying this is what I saw and  
54:43 you're a former policeman who says the  
54:44 same thing and you don't come from Yoko  
54:46 Ville you come from the NYPD you not  
54:48 from Yoko Villa central so in New York  
54:57 if a cop ever did that to someone tell  
54:59 me what would have happened he would  
55:03 have investigate she would have been  
55:05 written off it would have looked gotta  
55:06 commend discipline but no Alex I'm  
55:11 talking about punching a girl in the  
55:12 face while subduing her a small thin 90  
55:16 pound 20 year old girl who had no  
55:18 weapons who had not committed any crime  
55:21 other than mouthing off to the thug what

55:23 would have happened to the cop have to  
55:25 punch her in the face John you know you  
55:42 know I would like to see this cops  
55:43 background before they hind hire them  
55:45 for the summer and look at what he's you  
55:48 know what his life was like because  
55:49 something doesn't add up here this guy  
55:51 sounds like he's had he has mental  
55:52 problems with women see there you go  
56:00 right I saw that too she didn't respect  
56:03 him well she doesn't have to respect him  
56:05 it's not part of his job to be respected  
56:17 I like people from New York who are for  
56:20 cops and former cops I don't know why  
56:22 I'm getting so much flak on this Alex

56:24 they're making me wrong judging things

56:28 by you know with inexperienced eyes I

56:31 mean I seen the video on Facebook

56:33 in several videos that the police

56:34 department released they don't show the

56:36 beating but I can say other videos that

56:38 I guess her friends release and if I'm

56:41 called forth it's really oh my god the

56:43 beating of the girl is if you watch it

56:45 your blood boils as a cop if you were on

56:48 the beach off-duty and you saw that cop

56:51 punching that girl in the face I would

56:53 bet that you would have jumped in to

56:55 stop him pretty much but I would never

57:06 let me send you a free copy of God faith

57:09 and reason if you'd like it would you

57:11 like God faith and reason or Trump's war

57:13 [Music]

57:14 that no all right no it's not an insult

57:18 to me you like Trump more than God I

57:19 understand that all right hold on the

57:21 line Clint please take demands and they

57:23 will send them Trump's war not God's war

57:25 you know I was gonna call that book

57:27 God's war and I didn't at that last

57:30 minute because I really was too militant

57:32 too hard too harsh well what do you want

57:37 to talk about next

57:38 Allu nothing all you want to do is Beach

57:39 lady and no that's it nothing else it's

57:41 over Albert on ke LIF make your point

57:44 you're on the savage nation yes well

57:47 everybody seem to beat me to the point

57:49 on you after what did she do wrong but

57:51 she was underage drinking and they said

57:53 that the bottle was not stop stop stop

57:56 the bottle was not open she did not

57:59 drink she passed the breathalyzer but

58:02 they seen the bottle

58:03 oh you saw a bottle so when he that

58:07 entitles in a punch her in the face yeah

58:14 the cops will walk in the beach and they

58:16 saw an unopened bottle of alcoholic wine

58:18 and they said you're drinking she said

58:21 no I'm not drinking it's my aunt's wine

58:23 he made her take a breathalyzer anyway

58:25 and she came up clean that should have

58:27 been the end of the case Albert yes sir

58:29 yes sir I agree with you on it

58:31 the cars are well thanks for the know

58:33 why call if you agree with me no I'm

58:35 joking no I don't want to just argue

58:37 with people I'm glad that we have sense

58:39 today Alex on ABC until we did already

58:43 so clean up the line I asked you about a

58:46 sermon on

58:47 called oh wait 10 on the stream online 7

58:50 can unlock on the big stream what's on

58:53 your mind ken stream dr. Savage I as

58:56 soon as God faith and reason came out I

58:58 got the audio version of it tried to get  
59:00 it to 4 I thought you'd be reading it of  
59:04 course you didn't and that's fine but  
59:06 there was a wonderful prayer you sit  
59:08 heaven there on revenge something I need  
59:10 a lot of work on and and didn't and then  
59:13 when the book came out I got it it was  
59:15 not in the book and I and good thing I  
59:17 wrote it down from the audio version oh  
59:19 wait a minute hold it let me hear what I  
59:21 wrote on revenge is it from the Bible or  
59:23 from me it's from you God I like to hear  
59:27 God well go ahead let's see if it's  
59:29 short okay I'll go quick god I forgive  
59:32 anyone that is angered or vexed me or

59:33 sinned against me either physically or  
59:35 financially against my honor or anything  
59:38 else that is mine whether accidentally  
59:41 or intentionally inadvertently or  
59:42 deliberately by speech or by deed in oh  
59:45 I know where this comes from I know  
59:47 exactly where this comes from ken you  
59:50 had heard that on my show is that  
59:51 correct no this was on this oh yes yes  
59:55 yes but I know where it came from and it  
59:57 didn't make it into the book I know  
59:58 exactly I have total recall on that that  
60:01 is part of the Jewish prayer in the Day  
60:02 of Atonement  
60:03 where the religious Jew gets up and says

60:06 God forgive me for all my sins and then

60:08 he lists all of his sins wonderful

60:13 prayer I was wondering why it didn't

60:15 make the book great I don't know I we

60:18 couldn't put everything in it but it's

60:19 an interesting prayer the the prayer of

60:22 atonement for your sin because there's

60:24 virtually a sin for everything you know

60:27 I can read them if you want for the sin

60:31 which you have committed before you by

60:32 false denial and lying before you by a

60:34 bribe taking it comes exactly from that

60:36 long series of prayers of the ami Dafa

60:40 Yom Kippur listen to this one I wish I

60:43 could find the one you looking for for

60:45 the sin which we have committed for you

60:46 under duress or willingly for the sinem

60:48 we've committed before you by

60:49 hard-heartedness

60:50 that would apply to everyone listening

60:52 to this show for the sin we have

60:54 committed before you with an utterance

60:55 of the lips that means every time you

60:57 talk you're committing a sin immorality

61:00 knowledge and with the seeped through

61:02 speech by deceiving a fellow man by

61:06 improper thoughts by a gathering of

61:08 lewdness by verbal confession by

61:12 disrespect for parents and teachers

61:15 forgive us God for using coercion by

61:20 desecrating the divine nature you go  
61:22 down the list it's a day of expunging  
61:24 yourself of virtually everything you may  
61:27 or may not have done that year you know  
61:30 what I'm saying yes so one so you have  
61:33 you have an issue with revenge in your  
61:35 own heart right now and you're trying to  
61:36 get getting it out of getting get it out  
61:37 of your mind is that it I have I  
61:41 struggle with it I when I when I heard  
61:44 that in that audio I said you know I  
61:47 just thought and I related to to a lot  
61:50 of this if this was my daughter for  
61:51 instance on the beach I'd have a hard  
61:53 time with this for a long long time and

61:55 I think a prayer you know basically

61:58 absolving anyone that is have spoken to

62:02 men who were fathers middle aged men and

62:03 we're not violent men said if they did

62:05 that to any family member they would

62:07 have jumped in and that cop would have

62:08 shot them ashore as I'm sitting here

62:09 that man is such a wild card that guy

62:13 with the gun in club on that Jersey

62:14 Shore that he could have set off a gang

62:17 war on that beach that wild up with

62:20 people getting killed that's how bad a

62:21 copy is I agree now where is this thing

62:26 on revenge but what's your issue of

62:28 revenge what is bothering you I was

62:33 bullied pretty severely so you're you're

62:37 a show on yep yeah my show on bullying

62:40 okay so you still carry those scars

62:42 inside your soul

62:44 I do but what is begun on anybody who

62:48 you look at all day long you want

62:49 revenge with them I everyday I go

62:53 through these these people that have

62:54 done this to me I wish I never know

62:57 about you mean from childhood or they're

62:59 still doing it to you from from

63:02 childhood also you walk around with

63:04 hatred in your heart for everyone

63:06 because of it that's for everybody but I

63:09 definitely have a chip on my shoulder no

63:11 doubt well you're not alone you're not  
63:13 alone you like  
63:14 most people I know by the way you know  
63:17 just don't think you're alone with those  
63:18 feelings if you think the next man  
63:20 walking down the street is you know  
63:22 humming to himself and feeling good  
63:24 you're mistaken many or most people  
63:26 you'd be quite surprised they're walking  
63:29 around filled with resentment towards  
63:30 the human race for things that the  
63:32 person next to them didn't even do so  
63:34 you should take some relief from the  
63:36 fact that you're not really sick again  
63:39 you know I appreciate I'll be right back

63:42 I can't go I mean I'd love to do this

63:44 maybe I should do a whole day on Doc

63:46 Savage trying to expunge people of their

63:48 of their problems but I'm not a

63:49 psychologist I'm merely a talk show host

63:52 and I'll be back in a moment

63:56 [Music]

64:05 okay we're gonna talk about home

64:07 security why cuz it's probably the most

64:09 important thing you're gonna be worrying

64:10 about and I look I'm telling you simply

64:13 safe is the best and I'll give you the

64:14 details why simply safe has a camera you

64:18 can control from your phone but they

64:20 want you to protect your home and your

64:21 privacy so they came up with this

64:22 brilliant idea which would be a privacy

64:24 shutter for their camera now simply safe

64:26 wanted you to be able to hear the

64:28 shutter click so you know it's closed

64:30 and they wanted it to have a light in it

64:32 so you could easily tell when it's on

64:33 and they needed it to work for the

64:34 entire lifespan of the system so simply

64:38 safe engineers got to work they tested

64:40 different metals and hinge designs what

64:42 they come up with an effective home

64:43 security camera with a thin lightweight

64:45 aluminum privacy shutter that will work

64:47 every time it is this kind of attention

64:50 to detail it sets simply safe apart and

64:52 keeps your family safe simply safe isn't

64:55 just home security it's home security

64:58 done perfectly right I want you to check

65:00 out simply safe today on a special

65:01 website just for my listeners simply

65:04 safe savage calm that is simply safe

65:07 savage calm to learn more about simply

65:09 safe today write it down and go on it

65:12 simply safe savage calm let's take some

65:16 callers before the time clicks off here

65:18 who is this Annamarie on line five

65:22 thirty seconds or less go ahead please

65:24 hi dr. Savage I agree with you with

65:27 everything you're saying regarding the

65:28 girl on the beach it was so upsetting to  
65:31 see that poor girl crying out to her  
65:33 friend I believe it might have been Matt  
65:34 asking for help as this officer was on  
65:37 her and her friends are standing by and  
65:39 not able to do anything to help I well  
65:43 because the cop would have shot them or  
65:44 the cop would have arrested them and  
65:45 they maybe shot the boy now let me let  
65:48 me give everyone the law police in New  
65:50 Jersey may not request your ID or demand  
65:53 your name unless they were already  
65:54 issuing you a court summons she did not  
65:57 commit a crime until he said give me  
66:00 your name and she said I don't have to

66:02 give it then he said you're going down

66:04 it was then when he said I believe

66:07 you're about to get dropped I'm gonna

66:09 play that in the next hour he got pissed

66:11 off that she stood up to him because she

66:13 didn't come in a crime that's what it

66:14 came down to

66:16 he needs to be held accountable he this

66:18 is ridiculous

66:19 well I you know all the police who I've

66:21 supported all these years it's very

66:24 heartbreaking to me that they would turn

66:25 on me like this but they are because

66:28 it's a community and a fraternity and

66:29 it's cops right or wrong that is a

66:32 dangerous society living it's very

66:34 dangerous to live in a society like that

66:36 [Music]

66:37 Michael Savage a host like no other wild

66:42 wild wild wood days every day's a

66:46 holiday

66:51 so here's what's going on today we're

66:55 going to talk about the New Jersey

66:56 assaulted beach girl and the thug cop

67:00 who punched her in the face repeatedly

67:02 over nothing and I'm gonna ask you

67:05 should this copy charged with assault

67:06 and as far as I'm concerned attempted

67:09 rape and I'll tell you why I cannot help

67:13 telling you that although I have

67:15 supported police from the day I'm again  
67:17 in radio and I do have to establish that  
67:19 I have given hundreds of thousands of  
67:21 dollars to cops who were in trouble I've  
67:24 supported the police I do not support  
67:26 the entire world of police any more than  
67:30 I support the entire world of  
67:31 politicians they're good cops bad cops  
67:33 there are rogue cops there are great  
67:35 cops there are hero cops cowardly cops  
67:37 as we saw in Florida with the cop who  
67:39 hid behind the post while children were  
67:41 being shot there's a video going around  
67:45 it's on Michaelsavage dot-com it's on my  
67:47 Twitter feed of this cop punching this

67:50 girl in the face now there's no race

67:51 involved in this this is not a white cop

67:54 black girls not a black cop white girl

67:56 this is a very young untrained mentally

68:00 unstable cop in my opinion beating up a

68:04 girl over nothing

68:05 now I put this up on my Twitter feed

68:09 yesterday and I've been sickened by the

68:10 kinds of replies I'm getting from people

68:13 who consider themselves to be

68:14 conservative and if you're a

68:17 conservative and you believe that a cop

68:19 has the right to beat up a 20 year old

68:20 girl who is unarmed then you're not a

68:23 conservative there's something wrong

68:26 with you and we're gonna have two  
68:28 lawyers on the show today so you can  
68:30 learn a little bit more about the law  
68:32 and here's what I put up in my Twitter I  
68:35 mean I'll be very clear it got me so  
68:37 outraged 18 hours ago that I said  
68:39 bastard thug cop punches girl and face  
68:43 if my daughter I would spend my last  
68:45 dollars to see him jail for assault and  
68:47 attempted rape piece of trash with a gun  
68:50 and a club now I got a lot of hate mail  
68:53 from people who think that they're  
68:54 conservatives but if you saw some of the  
68:56 commentary you wouldn't believe the  
68:59 lowlifes who posed as conservatives or

69:02 like to walk around thinking that

69:04 they're superior

69:05 liberals are you listening to me

69:08 she was unarmed she was not a threat he

69:12 could have killed her - cops felt

69:15 threatened by a 20 year old girl on the

69:17 ground and yeah I almost always a

69:20 thousand percent back at the blue

69:23 another man writes Curtis Adrian Graham

69:25 and says I almost always back cops but I

69:27 can't think of an instance where hitting

69:28 somebody with the fist is appropriate I

69:30 was a UN peacekeeper in Kosovo after the

69:33 war and despite having to use force of

69:35 all kinds to defend myself and others I

69:37 never did that Savage Eddy writes these  
69:42 people sticking up for the cops here are  
69:44 way out of bounds they never would have  
69:47 done that to a black family I hope that  
69:48 cop never serves another day on the  
69:50 force yeah I ask yourself this question  
69:53 look at the punk cop watch the video  
69:56 before you call the show don't tell me  
69:58 no I haven't seen the video but you're  
69:59 wrong if you if you haven't seen the  
70:01 video Jim don't put them on the show I  
70:03 only want people who watch the video and  
70:05 seen the girl on the ground screaming as  
70:08 the thug cop beats aah repeatedly in the  
70:10 face I'm talking punching her in the

70:12 face he lost control and there's so many  
70:17 elements to this that needs to be  
70:18 discussed that I thought I'd better get  
70:19 to lawyers on so you learned something  
70:21 about the law if you haven't seen the  
70:23 video please do spend a few minutes on  
70:26 michaelssavage comm it's simple to get to  
70:28 and take a look at the video and then  
70:31 call me and tell me what you would think  
70:33 of it was your wife or your daughter  
70:35 and moreover ask yourself this question  
70:37 if this were Hispanic girl and she had  
70:42 had an unopened bottle of booze in a bag  
70:44 by the way she was not even drinking on  
70:46 the beach it was an unopened bottle of

70:47 something B or wine unopened on the  
70:50 beach if it was an expand of girl and  
70:52 she was with some guys with tattoos or  
70:55 let us say another ethnic group with the  
70:58 cop of beating the girl up like that  
71:00 mm-hmm I couldn't believe what I felt  
71:04 when I watched this a woman on a beach  
71:07 in New Jersey complying with a police  
71:08 officer he pushes up to the edge and  
71:11 begins beating her for no reason the  
71:14 body cam footage was released to give  
71:16 you full context  
71:17 and in an effort to show the cop was in  
71:19 the right but if you watch it in its  
71:23 entirety you see how much he was wrong

71:25 and then after the incident with

71:27 Roseanne Barr which came up yesterday

71:30 another apparent person who passes as a

71:32 comedian using one of the most vile

71:35 words you can call a woman to describe

71:37 Ivanka Trump and she does it on

71:38 television for all to see this was on

71:40 TBS a network owned by Time Warner the

71:43 same company that owns CNN the same CNN

71:46 that spent an entire two days tying

71:48 Trump to Roseanne's tweet and claiming

71:50 all his vote as a racist these are the

71:52 same deviants that run the Hollywood

71:53 filter machine this is why I am

71:56 boycotted in Hollywood this is why I am

71:58 boycotted on Fox News you don't

72:00 understand this but Fox News is part of

72:02 the news cooperation with Jones movie

72:04 companies do you understand now why I as

72:07 an outsider I'm an independent voice

72:08 that you could trust

72:10 there is a madness in this country right

72:12 now and it's affecting the right and the

72:15 left the left wing has lost their

72:17 collective minds over the Trump

72:18 presidency and their true colors are

72:21 emerging with each vile tweet which with

72:24 each post with each appearance on TV you

72:26 name it the left cannot contain their

72:29 anger and rage for people who would

72:30 support Donald Trump they hate you they  
72:33 hate me and they're then there are those  
72:35 who support the police no matter what  
72:37 but in this case that I am talking about  
72:40 you have what I see is a deranged  
72:42 sexually frustrated cop with an  
72:44 authority complex beat up an innocent  
72:46 girl on a beach in front of her child  
72:48 but if you look at my Twitter comments  
72:51 you see mostly people supporting the  
72:53 actions of the cop  
72:54 they say garbage such as quote she  
72:57 disrespected him she shouldn't have had  
72:59 alcohol she was confrontational well  
73:02 let's look at the facts together cop

73:05 asks her to take a breathalyzer test she

73:07 takes it twice the cop admits that the

73:10 alcohol present in the bag was unopened

73:13 she broke no law he then asks for her

73:16 last name and she refuses that is not

73:18 against the law especially since she was

73:20 not accused of a crime and she passed

73:22 the breathalyzer test she starts to walk

73:25 away the cop could have just written her

73:27 a summons he did not have to tackle her

73:29 he harassed this

73:31 girl to the point where she snapped she

73:34 knew she was in the right and he kept

73:35 pressing her what he saw in my opinion

73:38 was a beautiful young girl he wanted to

73:40 put his hands on in my opinion but it's

73:42 not just as actions that are the problem

73:44 it is the willful blind following of

73:48 supporting the police no matter what yes

73:51 99 percent of cops are brave and save

73:53 lives and there are very bad apples by

73:56 the way amongst them and they must be

73:58 called out for abusing their authority

74:00 and blowing our trust in them

74:02 this was assault of an innocent person

74:05 in my opinion this madness has affected

74:08 our discourse to the point where no one

74:10 can reason with anyone else and madness

74:12 leads to despair and it will tear this

74:15 nation apart the phone number here is

74:18 eight five five four and seven two eight

74:20 two if you want to jump in and give us

74:21 your opinion but if you have not seen

74:23 the video please do not call do not

74:25 waste our time kindly watch it on

74:27 Michael Savage calm before you call the

74:29 show he's very easy to call and say the

74:31 cop was right if you didn't watch the

74:33 video but if you watch the video you may

74:35 have a different opinion yes I know the

74:38 girl has a background with some

74:39 felonious arrests so what what does it

74:42 have to do with what the cop did he

74:43 committed a felony yes I know she had a

74:46 big mouth on her that's not a crime not

74:49 a crime to have a big mouth as a matter  
74:50 of fact she is exactly the type of girl  
74:53 that would stand up to a Nazi police  
74:55 state do you understand that you see  
74:57 here's the thing that most of you have  
74:58 to come to understand many of you are  
75:01 gun owners and you like to believe that  
75:02 you're tough guys and if government ever  
75:05 came to get you have heard it over and  
75:06 over again in the 25 years of my  
75:08 broadcasting over and over again all on  
75:10 we need our guns to protect ourselves  
75:12 against a police state if the government  
75:14 ever came from me I would just you know  
75:16 in my ar-15 and blow my weight really so

75:19 here's a girl standing up to a thug cop

75:22 who exceeded his authority she's

75:25 actually a hero she's a representative

75:27 of a resistance fighter she's the type

75:30 of would have stood up to the Nazis and

75:32 dropped a Molotov cocktail down a German

75:34 tanks turret she's actually a hero for

75:37 standing up to this little punk now let

75:40 me tell you as a man what went on here I

75:42 could tell you point-blank I watched

75:43 this video over

75:44 over again and what I saw with two young

75:48 cops who were sexually frustrated

75:51 walking on the beach I know how guys

75:53 think and one said to the other I'm

75:55 guessing

75:55 let's go harass those chicks let's see

75:58 if we can have some fun he could have

76:00 picked on a burly guy with an unopened

76:03 beer or swigging of beer secretly on the

76:06 beach couldn't he he could have picked

76:07 on a Hispanic gang maybe with some

76:10 tattoos and told him to put their beer

76:13 away he didn't though he said let's go

76:14 harass those chicks and have some fun

76:16 she's really hot

76:18 so he gives her a breathalyzer he got

76:20 his charge right out of that the

76:23 breathalyzer looked like a form of

76:24 sexual assault by the way but it'll put

76:27 that aside for a minute he got his kicks  
76:30 by making a take a breathalyzer not once  
76:32 but twice she doesn't show any alcohol  
76:34 she said I wasn't drinking leave me the  
76:36 heck alone get away from me but the the  
76:39 molesting cop continues and he starts  
76:41 pushing this girl mentally pushing her  
76:45 buttons any animal that has cornered  
76:47 will strike out the way this girl did  
76:49 she will strike out with the nails she  
76:52 will yell she will hiss she'll do  
76:54 anything she can to defend herself  
76:56 against a large man man much larger than  
76:59 her with a gun and a club and a uniform  
77:01 on a beach this didn't have to go here

77:04 even if the thug cop was harassing the  
77:08 girl just for fun to get close to  
77:10 looking at her breasts through her very  
77:12 skimpy bikini let's say that's what he  
77:14 was doing he was bored he was sitting in  
77:16 a hot uniform on a hot beach she's on  
77:18 half-naked in a bikini say figured have  
77:20 some fun with a toy with her like a cat  
77:22 and a mouse he could have said all right  
77:25 he is a summons for opening your mouth  
77:27 to me or whatever but he didn't he  
77:30 didn't just give her a summons she  
77:31 wasn't drinking after all was she oh she  
77:34 was carrying an unopened bottle in a  
77:36 purse that's reason to beat her up on a

77:38 beach you want to live in such a society

77:40 I don't how can you support that and

77:43 call yourself a conservative what the

77:46 hell has happened to you people I don't

77:49 understand what's happened to the

77:51 mindset of people who are so blind that

77:54 they see a clear assault and they

77:56 support the assault because the guys

77:58 wearing a unit

77:59 now I'm very consistent in my opinions

78:02 do you remember a few years ago there

78:04 was a large black man named Eric garner

78:07 in Staten Island who was viciously

78:09 assaulted by a pack of wild animal NYPD

78:13 cops who choked him to death and what

78:16 was his crime he was selling  
78:18 unauthorized cigarettes on the street  
78:20 they took the black guy down like an  
78:22 animal they almost broke his neck you  
78:24 could see the poor guy struggling for  
78:26 air you could see him begging and saying  
78:28 I can't breathe I can't breathe I can't  
78:30 breathe  
78:30 and the thug muscle-bound thug cop  
78:32 choked him to death what was my position  
78:35 then the cop was a thug it was a  
78:38 criminal committed a felony what is my  
78:40 position today thug cop committed a  
78:42 felony and now people saying well aren't  
78:44 you what do you mean attempted rape why

78:46 are you going that far why I ask you to

78:49 please watch the footage watch him take

78:54 her down and watch him get real close to

78:56 her body this cop was body groping her

78:59 this cop is you know in such bad shape I

79:04 know that the Union and the mayor have

79:05 come out and said things you'll not

79:07 believe the mayor himself of this town

79:09 should be fired for what he said so

79:11 we're gonna talk about this today for a

79:14 little while because to me it goes to

79:15 the core of the madness of our time if

79:17 you are not outraged by what you saw and

79:19 you can't continue to support police on

79:21 the spurious notion that because she

79:25 mouthed off to him she deserved to be  
79:27 beaten up and physically assaulted on  
79:30 top of being smacked punched in the face  
79:32 not smacked a cop punches a girl in the  
79:35 face over and over again and you support  
79:37 that 855 4 + 7 - 8 - don't try to get on  
79:42 the savage nation was sold out  
79:44 [Music]  
79:54 hello Jersey sure this is the savage  
79:56 nation here for you let me tell you  
80:00 something I've supported cops for the 25  
80:02 years of it in radio except when they're  
80:04 wrong aren't they're rogue police aren't  
80:09 they're rogue talk show hosts who fake  
80:11 their credentials on a daily basis while

80:15 scamming people in real estate aren't

80:18 there people who fake you out in the

80:20 church aren't they're fake priests who

80:22 make believe they follow Jesus

80:23 milla doing those vile things in the

80:25 world so you're telling me that can't be

80:27 rogue cops who were bad now here's a

80:30 flash for you assaulted Beach Girls

80:32 lawyer on the savage nation in about

80:34 five minutes I want you to tell everyone

80:35 to listen and then I'll have another

80:37 lawyer on the next hour my good friend

80:39 Dan Horowitz who is great at the

80:41 white-collar defense and he's defended

80:44 many police by the way in the Bay Area

80:45 both sides he knows the law assaulted  
80:49 beach girl's lawyer on the savage nation  
80:51 of bottom of the hour that means this  
80:53 hour so at 35 34 after the hour already  
80:56 on WABC you watch the video what do you  
80:59 think RT well hello and thank you for  
81:02 having me if this was outrageous even to  
81:05 me I'm retired from the NYPD and this is  
81:09 just one of those things where today  
81:11 some of the blame can be put on the  
81:14 lacks of the psychological profiling  
81:16 that they do for police officers bingo  
81:19 they get through on tests that years ago  
81:22 never would have gotten passed but now  
81:24 because they want to be friendly and

81:28 allow all different types of folks in  
81:32 that would not have made the grade years  
81:34 ago now this is what we're getting for  
81:37 for seeming okay you're a hundred  
81:39 percent right are you my opinion but  
81:41 you're gonna get people saying oh she  
81:42 mouthed off to him how many times the  
81:44 cop in New York the son mouthed off to  
81:46 you like every day oh if you're not if  
81:50 you don't have thick enough skin you're  
81:52 in the wrong profession number one we  
81:55 just put a new picture up on my Twitter  
81:57 feed assaulted beach girl of another  
81:59 frame from this Oddie and everyone else  
82:01 you see two cops wrestling the girl on

82:05 the ground now arty if you were the  
82:07 father of that  
82:08 girl and you saw these two thugs doing  
82:10 it your instincts would have been to  
82:12 jump in and fight with the cops in my  
82:14 correct I would want to bring them into  
82:16 in a private interrogation room and have  
82:19 a prime no no no I'm saying during the  
82:21 time they are bringing your daughter to  
82:23 the ground and attacking her like this  
82:25 you would have jumped in and you would  
82:26 have been shot  
82:27 these cops could have wound up killing  
82:29 somebody they're so out of control they  
82:31 look like two mad pit bulls that were

82:33 just released off a chain

82:35 they broke protocol right from the

82:38 beginning she was listening to their

82:41 direction

82:42 Stingo doing what they asked her to do

82:46 she passed the breathalyzer twice and he

82:49 still harassed this kid right like you

82:53 said he had an ulterior motive for

82:55 things to stop her maybe like you said

82:58 psychologically a reason to grope her

83:01 sexual frustration on a hot beach day

83:04 back in a minute on the savage they

83:06 should be here or be nowhere you're not

83:08 going to want to miss her lawyer

83:09 [Music]

83:19 okay so welcome back to the savage  
83:21 nature in a few seconds we will have the  
83:23 attorney for the assaulted beach girl  
83:25 his name is Steven di CHT and Steven  
83:30 will be with us momentarily I want you  
83:32 to listen for a few seconds to the girls  
83:35 screaming as the thud cops throw it to  
83:38 the ground and punch her in the face  
83:39 listen I as a man when I hear this my  
84:29 blood boils and what's sad to me is to  
84:32 see so many of you fraught fraudulent  
84:35 men and fake conservatives out there  
84:38 excusing clear police police brutality  
84:42 did she spin and kick well if she did  
84:45 she shouldn't have but did that justify

84:48 a full takedown with punching a kid in  
84:50 the head oh I see many of you brave  
84:53 conservatives are saying she didn't give  
84:55 her name and she started walking away to  
84:58 avoid her impending arrest that's what  
85:00 the video proves did that justify this  
85:02 punk cop to beat her up an assaulter  
85:05 like that another man writes this he  
85:08 said I've been doing this for years he  
85:10 said in the old days all we would do if  
85:12 we found booze is just pour it out in  
85:13 the sand hard to watch says dick pan  
85:16 jello cops once just emptied the booze  
85:19 in the past what the hell is going on  
85:20 now joining us now is the lawyer for

85:23 this assaulted child Steven dict on the

85:27 savage nation welcome to the program

85:29 Steven I mean I know you're her attorney

85:32 so your

85:33 they're gonna take her side so I'll let

85:35 you speak without asking any leading

85:36 questions please make your case on the

85:39 savage nation

85:40 well first off Michael thank you for

85:43 inviting me and having me on your show I

85:46 appreciate the opportunity to speak on

85:49 behalf of this young lady who is really

85:53 getting a bad rap

85:56 yeah just unnecessarily it's just

85:59 disgraceful in my the other mayor the

86:02 mayor of the city these frames are today

86:05 didn't he I didn't hear that somebody

86:08 sent me a message to that effect that I

86:11 haven't heard it oh my god if I were her

86:14 lawyer if I were a lawyer I would go

86:17 after the mayor as well listen to this

86:19 mayor

86:20 Ernie Troiano defended the cops in

86:23 tackling and twice punching the woman on

86:25 the Wildwood Beach saying the woman was

86:27 quote by far the aggressor here and then

86:30 wait he adds fire to the fuel to the

86:33 fire the mayor he says the women that

86:34 women in general can be more difficult

86:36 to subdue than men can you believe this

86:39 well he said that Orisha Lee he made  
86:42 that comment  
86:43 early on he also made comments that the  
86:47 body cam will vindicate the police and  
86:51 show that she kicked and spit well I  
86:53 haven't seen any of that and I you know  
86:58 I did I saw her spitting sand out of her  
87:00 mouth after the thug cop pushed the face  
87:02 held and yeah I saw her spitting for her  
87:04 life she was choking to death yes he was  
87:09 making the case that the spitting and  
87:12 kicking is what prompted the arrest  
87:17 which is totally fought okay Steven  
87:21 lawyer for this child the mayor  
87:24 Ernie Troiano on Saturday said that

87:26 she's on probation for four years

87:30 she chose to attack the officer spit on

87:33 the officer look I don't care who you

87:34 are what you are

87:35 the worst people to try to subdue are

87:36 women can you believe that a mayor would

87:40 the faint first of all would bring up

87:41 the character of the young woman without

87:43 knowing anything about her or her

87:45 background and

87:46 that to the public doesn't that bias the

87:48 case well I think you're right

87:54 maybe she oughta hire me maybe I may

87:56 become an attorney for the day okay

87:58 let's talk about the girl is she a

88:01 mother does she have a child with her

88:02 Steven she does have a child she's an 18

88:05 month old adorable little girl named

88:08 Isabella who goes by the name Bella they

88:10 call her Bella she's adorable and

88:13 unfortunately she was there the child

88:17 saw the mother being beaten up like this

88:19 well yes she did but you know hopefully

88:21 that it's not gonna have a she won't

88:24 have any kind of memory of it I say yes

88:26 she was right there all right let's talk

88:28 about the the reason he got she got

88:30 beaten up she had an unopened bottle of

88:33 what bureau wine and a pin and a bag I

88:36 think was some kind of wine cooler I'm

88:39 not really sure I think okay so that so

88:42 the the brave cop with a 40 caliber

88:45 handgun tells her to take a breathalyzer

88:47 did she take the breathalyzer twice and

88:50 come up clean us as the video shows well

88:53 she took it twice and you can only

88:55 presume that if it was if it showed

88:58 anything it would have taken her into

89:00 custody for that but they didn't so she

89:03 was cleared at that point so why did the

89:05 cop continue to harass her that's a very

89:09 good question which we hope to get the

89:12 answer to he clearly did I mean he

89:15 clearly did in the second video I think

89:18 you see her sitting there very calmly

89:21 she's right we calm sitting there the

89:25 tape goes silent for a few seconds but

89:28 you see him you see his mouth going and

89:31 she's sitting there very quietly and

89:33 then somewhere along the line he jumps

89:36 and says oh well you know this is this

89:39 is it I've had enough of you says you're

89:41 going down we just played the tape

89:44 you're about these screams you're about

89:45 to get dropped why did he do that yeah I

89:49 don't know I can't even begin to guess I

89:52 cannot even begin to imagine what would

89:55 possess anybody I mean what kind of man

89:59 you're right

89:59 what kind of man does this to a hundred

90:04 pounds oh and let me tell you something

90:06 she looks little in that video when you

90:09 see her in person she looks more she

90:12 looks more she's tiny she's a tiny

90:14 little girl and it's it's appalling it's

90:19 absolutely a boy and you know what you

90:21 know what else is the point you alluded

90:24 to it I heard some of your comments the

90:26 people that side with the police no

90:29 matter what right side with the police I

90:32 have raised hundreds of thousands of

90:34 dollars for falsely accused police and

90:36 for falsely accused military so I know

90:39 that my motivation is the support of law

90:42 and order and of the police but when you

90:44 see a rogue or a deranged cop like this

90:47 I'm sorry

90:48 there's no other way to see it but the

90:50 way it is you attack this poor girl for

90:52 no reason whatsoever

90:54 exactly and you know what I called upon

90:57 the city to review their policy here

91:04 review everything and dismissed the

91:06 charges because if they're really honest

91:10 about it and they have no other choice

91:12 and you know what the police are in a

91:14 tough spot here and I don't care in a

91:17 tough spot because you know they're

91:20 doing an internal affairs investigation

91:22 well it's the internal affairs shows

91:26 that the police acted improperly and I  
91:28 don't see how it can because I don't  
91:30 know any police rule book or manual that  
91:34 condones this type of conduct by the  
91:37 police but let's say they find that they  
91:39 acted improperly  
91:41 well then doesn't that then require them  
91:44 to drop the charges I don't know why  
91:48 they're even bringing charges charges  
91:50 what charges did they bring against this  
91:52 kid she's charged with aggravated  
91:54 assault can you believe that well look I  
92:00 know what goes on when I was a kid in  
92:02 Queens if you mouthed off to the police  
92:03 they took you to the station threw you

92:06 down a flight of stairs and say you  
92:07 resisted arrest or they took you up  
92:09 behind the police station and beat you  
92:11 in the nightclub that's the way it used  
92:13 to work  
92:13 a nightstick those days a long over  
92:16 thank God we're not living in the dark  
92:17 ages this is like a throwback  
92:20 unfortunately for this thug cop and his  
92:22 partner they're in real trouble in my  
92:24 estimation I hope so  
92:26 last night I was at a meeting I go to a  
92:28 regular Wednesday night's meeting at  
92:33 cobot I'll mention that and there's a  
92:37 retired cop that's in the group and he

92:39 jumped on me

92:41 your clients of POS a POS and I asked

92:44 him to stop politely and he made a

92:47 comment that he would have knocked her

92:49 teeth in and this was a Botnick a

92:53 religious Jew yeah yep it just shows you

92:56 what religion does for some people it

93:00 makes them even worse once they think

93:02 they have God on their side they watch

93:03 out for them altogether you know what I

93:05 told them all I told them what I thought

93:07 of it and I left I said I could good for

93:10 you no no listen you know to me I judge

93:13 a thing by what I see not by what I'm

93:15 supposed to think now I was like because

93:17 the guy wears a cross it makes them a  
93:19 good Christian if the hookers in America  
93:21 wear crosses or another one wears a  
93:23 black robe in a yarmulke is supposed to  
93:25 believe he's a holy man I I don't go for  
93:28 it you know I have to look at the  
93:29 person's life itself not upon what the  
93:32 the costume says here was a girl wearing  
93:35 a skimpy bikini attorney I can tell you  
93:40 as a man what these guys were doing they  
93:42 picked the weakest target on the beach  
93:44 to harass this girl to have some fun  
93:47 with her that's my opinion  
93:49 how come they didn't arrest anyone for  
93:50 smoking marijuana on the beach or

93:52 ingesting marijuana how many people were

93:54 possibly stoned on marijuana on that

93:56 beach yeah yes there's a lot of people

93:59 on that beach how many people might have

94:01 been impaired by illicit use of let us

94:04 say xanax or valium or other drugs that

94:08 were not theirs just to get high on the

94:09 beach there were no arrests for that one

94:11 there you're so right you're so right

94:14 believe me I'm right I wouldn't do this

94:16 and I gotta tell you something Steven di

94:19 CHT police your name is dished okay

94:24 the easiest thing for me to do if I were

94:27 a one-string talk show host who supports

94:29 police is get up here and say oh I'm on

94:32 the side of the cops

94:33 this girl mouthed off to them she got

94:35 what she deserved

94:36 yes capsule all right that's what you

94:38 get from someone as a faker in this in

94:40 this business what I am doing is the

94:42 hardest thing in the world to do for

94:43 someone who supports the police and the

94:45 police themselves have to police

94:47 themselves or else we're living in a

94:48 fascist dictatorship are you you said

94:54 you went to a Habad meeting I'm just

94:56 curious are you yourself a religious

94:57 person no no I go it's more of a what I

95:02 go to is more of a like a Cola study

95:05 class and so who was this guy who told  
95:09 you the cop should have beat knocked her  
95:10 teeth out he was a rabbi no no he's a  
95:14 guy like me just a retired cop who's got  
95:19 a big mouth and no wonder his wife left  
95:22 him and his daughters don't talk to him  
95:23 how did you know I was waiting for a  
95:27 good a good a good comeback are you  
95:33 serious that's what he complains about  
95:34 it's it's like it opened open the psycho  
95:37 ward in there well that's the last stop  
95:39 for the nut cases is the tour in some  
95:41 cases hold on I'll be right back with  
95:44 the attorney for the assaulted beach  
95:47 girl on the savage station

95:48 [Music]

96:00 the idea of falling into bed at night

96:03 you know has taken on a whole new

96:05 meaning ever since I started sleeping on

96:06 my Casper mattress I actually used one

96:08 and I love the thing they have

96:10 engineer's that you can't believe they

96:11 all do themselves they created something

96:13 you can't believe it's not just my

96:16 favorite mattress but the Internet's as

96:17 well Casper has created three unique

97:03 dot-com code savages say \$50 terms and  
97:06 conditions apply see the site for  
97:08 details  
97:09 that's Casper com code Savage now we are  
97:12 talking about hysteria that occurred on  
97:15 the Jersey Shore on Saturday where two  
97:18 cops with guns and clubs could not  
97:21 restrain themselves and they took a  
97:25 90-pound girl and felt the need to punch  
97:27 her in the face and this is an outrage  
97:30 and it should be an outrage for all of  
97:32 us and yet we have hysterical

97:34 self-appointed conservatives who say she  
97:37 got it she got what she deserved because  
97:41 she did this she did that she took the  
97:43 breathalyzer she didn't have any  
97:45 al-qaeda system you know I told you that  
97:48 I have a big book coming out in October  
97:49 called stop mass hysteria just listen to  
97:52 the subtext and tell me it's subtitle  
97:54 stop mass hysteria by Michael Savage  
97:57 America's insanity from the Salem witch  
97:59 trials to the Trump witch hunt from the  
98:02 Red Scare to Russian collusion I know  
98:04 what's going on on a global scale and on  
98:07 a personal scale and I've never seen  
98:09 anything like this since the Eric garner

98:11 case in Staten Island they took down  
98:13 a black guy who was selling cigarettes  
98:15 on the street and choked him to death  
98:16 and I took Aragones side on that story  
98:20 because the man is dead and what was his  
98:21 big crime that a pack of wild dogs had  
98:24 to take him down in Staten Island  
98:25 what was his damn crime selling  
98:27 cigarettes and what was this girl's  
98:29 crime  
98:30 she had an unopened bottle of wine in a  
98:32 bag and you're saying she got what she  
98:35 deserved  
98:36 why didn't these punk cops go up to a  
98:39 group of Hispanic kids with tattoos or a

98:42 group of black kids from the hood

98:43 instead of picking on a little white

98:45 girl

98:46 get your head together Steven dict

98:49 lawyer for this poor girl Steven where

98:51 is the child today who was assaulted uh

98:54 she's at home with her mother she lives

98:57 in Philadelphia and you know the sad

99:01 part is for a few days the TV crews were

99:04 camped out on her street and she was a

99:08 prisoner in her own house she didn't

99:10 want to go outside and she's so pretty

99:15 pretty shaken by this this incident is

99:19 he can imagine well I would be shit as

99:21 my child I wouldn't rest until the cops

99:23 are put in jail yeah well she's she's

99:26 pretty upset about it Steven if we do

99:31 not weed out the rotten apples the

99:34 entire barrel of apples will get

99:36 poisoned by their behavior right Steven

99:40 thank you for being on the savage nation

99:42 today in the next hour we're gonna have

99:44 my attorney Dan Horowitz on dan has

99:47 defended both perpetrators and police

99:49 here in the San Francisco Bay Area for

99:51 many years and he's defended me for many

99:54 years and I'm probably the toughest

99:55 person he's ever had to deal with three

99:57 o'clock in the morning but if he can

100:00 take me he can certainly take the kind

100:01 of clients he has in Corcoran this is

100:03 the savage nation be here I'll be Nolan

100:06 [Music]

100:12 warning the savage nation contains of

100:15 Dolf language adult content

100:17 psychological nudity listener discretion

100:19 is advised

100:20 [Music]

100:23 now here he is author of liberalism is a

100:27 mental disorder

100:28 Trump's war and God faith and recently

100:32 Michael Savage

100:41 now let's go back a little bit we have a

100:44 mass hysteria in America it was started

100:47 against the police by Obama and holder

100:49 who made them targets then along came  
100:52 this domestic terrorist group called  
100:54 black lives matter who set off a wave of  
100:57 police killings the police now are under  
101:01 the gun and we have talked about that  
101:04 for years but it doesn't mean that that  
101:08 gives all police the right to attack  
101:12 people for any reason that they want I  
101:15 want to remind all of you who are  
101:17 listening that police are supposed to  
101:21 protect us even from ourselves and that  
101:25 we the people are not the enemy of the  
101:27 police and we are talking about this 20  
101:30 year old girl wearing a bikini sitting  
101:33 with her friends and her little infant

101:34 an 18 month old infant on a beach in New  
101:36 Jersey and these two untrained cops come  
101:41 along and they say well you're drinking  
101:43 she's no I'm not it's not opened it's  
101:45 nothing it's a closed container then  
101:47 they make her take a breathalyzer twice  
101:49 in a sort of Freudian use of the  
101:52 breathalyzer device twice they find out  
101:55 she's clear she wasn't drinking she says  
101:57 I wasn't drinking basically leave me  
101:59 alone so she mouths off to these two  
102:02 punk cops both with guns and clubs and  
102:05 that you can hear the cops screaming  
102:08 you're about to get dropped and they  
102:09 drop her and they start the pump one of

102:11 them punches her in the face

102:12 over and over again now all the cop had

102:15 to do was let her know that if her aunt

102:17 is not there when he came back he'll

102:20 tell her to pour the wine out he could

102:22 have walked away but he escalated it

102:24 this cop escalated the situation

102:28 punching a girl in the face over and

102:31 over again I don't care what shit what

102:34 did she do did she have a gun did she

102:36 have a club what kind of country are we

102:38 living in and the worst part of it here

102:41 are you fakers out there who think

102:43 you're actually a conservative because

102:44 you've been brainwashed by minimal minds

102:47 who think that just by reading you the  
102:50 Bill of Rights and the Constitution  
102:51 you're suddenly a great conservative  
102:54 you have no common sense whatever if you  
102:56 think this girl deserves to be beaten up  
102:58 she has the constitutional right by the  
103:01 way to talk back to a cop if you want to  
103:03 start quoting the Constitution he had no  
103:06 constitutional right to punch her in the  
103:08 face especially when she did not come in  
103:10 a crime I know I know you all all of you  
103:12 saying she spit at em and she threw sand  
103:14 in his face well actually she did spit  
103:16 if you watch the video she spit when the  
103:20 cop ground her face into the sand she

103:22 was spitting up the sand in order to to  
103:24 get the sand out of her throat so she  
103:26 wouldn't choke to death there is no  
103:28 justification for what these punks did  
103:30 none whatsoever I had her attorney on in  
103:34 the last hour naturally he took her side  
103:36 in this hour I will have Dan Horowitz on  
103:39 who was defended many police and on the  
103:42 other side as well dan is my attorney I  
103:44 don't know I don't really know what  
103:46 Dan's position is going to be we'll find  
103:48 out together and before you call the  
103:51 show today the phone number here is 855  
103:54 hundred seven to eight to there's only  
103:55 one open line people are very excited

103:57 about this most of you are defending the  
103:59 police without even watching the  
104:00 videotape if you don't watch the tape  
104:02 you don't know what you're talking about  
104:03 so please watch the tape on  
104:05 michael savage comm and now what I'm  
104:08 gonna do for you is play you the sound a  
104:10 sound piece from it and I want you to  
104:13 listen as the bastard cop you'll hear  
104:15 him snap and he snaps when she says to  
104:19 him you're mad because you thought we  
104:21 were drinking and we were not in other  
104:23 words she got the best of him so she's a  
104:26 smart aleck so what so what that's what  
104:30 makes for a great feisty human being

104:33 somebody willing to question authority

104:35 and stand up to Authority especially

104:37 when they were harassed for no reason

104:38 other than they were pretty young and

104:40 wearing a bikini and these two

104:42 frustrated horny pigs with guns and

104:44 clubs came up just to harass them you

104:46 know and I know what they were doing

104:47 let's not mince words about it two horny

104:50 cops sweating in a uniform on a beach

104:53 given a rotten assignment so who do they

104:55 pick on not a group of Hispanic guys

104:57 with tattoos or was smoking dope not a

105:00 group of black guys on the beach maybe

105:03 doing something that was illegal who

105:04 they pick on two white girls one with an  
105:07 infant and you're defending the car  
105:09 you're listening to the wrong radio  
105:12 shows you're watching the wrong  
105:14 television shows your mind has become  
105:16 warped if you defend the cops in this  
105:18 case that's my opinion and let me tell  
105:20 you something politically you'll be much  
105:23 easier for me to have gone on the air  
105:25 today and not done this story or said  
105:26 y'all you know I watch the tape and I'm  
105:29 very judicious about these things and  
105:30 the police are absolutely right yeah  
105:34 yeah a police are absolutely right no  
105:36 matter what they do because we all know

105:38 that police are very important as

105:41 audience for conservative talk shows we

105:46 all know that everybody knows that in

105:47 the business and so everyone in the

105:48 business goes out of their way to make

105:50 sure the police like them and military

105:52 like them and what they do instead is

105:55 bash liberals that's easy to do that's a

105:57 standard stock-in-trade trick but if

105:59 you're actually an independent as I am

106:01 not a member of any particular

106:03 organization a club and I call them as I

106:06 see them this is how I'm seeing it so if

106:10 you don't like what I'm seeing it's your

106:11 problem not mine because I'm usually

106:14 right and I'm a hundred percent right in  
106:15 this case and I can guarantee you as I  
106:17 sit here when this is adjudicated in  
106:19 court those cops are not going to be  
106:21 doing very well and this poor child who  
106:23 was assaulted in front of her infant I  
106:25 hope collects a huge payday from that  
106:28 city to stop the next assault on the  
106:31 next innocent person sitting on a beach  
106:32 with an unopened bottle of wine this is  
106:35 the nation you want to live in a day off  
106:38 you go to a beach with an unopened but  
106:39 and what if she did take a drink from  
106:42 the wine bottle but she didn't what if  
106:45 she did that's a crime how many people

106:50 were ripped on xanax on the beach their  
106:53 friends an ex or their mother's an ex  
106:55 that fearless Fosdick and his palate  
106:57 couldn't arrest them for how many of  
107:00 them had snorted cocaine before they  
107:01 went on the beach and felis Fosdick and  
107:04 his pal didn't touch them they walking  
107:07 around there sweating in the Sun  
107:09 miserable they got a bad assignment it's  
107:12 like working a worst job you could ever  
107:13 imagine a full uniform in the Sun so  
107:16 they say to each other hey let's go over  
107:17 those chicks over there you know I'm  
107:19 saying let's have some fun with them  
107:22 what are you having that bag mr. officer

107:23 what're you having that bag nothing it's

107:25 not open so she's a smart aleck so what

107:27 I like smart people I like I like feisty

107:31 women and men

107:33 I like people willing to stand up to

107:34 Authority and here's the kicker for me

107:37 many of the of you in the audience I've

107:39 heard you a thousand times over these

107:41 years I've been on the air why you need

107:43 your gun why you need your

107:45 semi-automatic weapon why if the

107:47 government becomes authoritarian and

107:50 overbearing well I'll defend them at my

107:52 doorstep

107:54 stupid you really are you'll defend

107:57 nothing you'll defend nothing you'll

107:59 crapping your pants and start shaking on

108:02 the floor here is the kind of girl is

108:04 actually able to defend itself against

108:07 an out-of-control authoritarian cop and

108:10 you're attacking her when she did

108:12 nothing wrong it shows you who you are

108:14 you really this is a great learning

108:16 moment for everyone out there all of you

108:20 with your ar-15s in your closet and

108:22 we're gonna hold off an army yeah you'll

108:25 hold off nothing here's a girl actually

108:28 as the guts to hold off a cop when he's

108:30 on that she has nothing so she stands up

108:32 to him she actually is challenging

108:34 Authority the way any good conservative  
108:37 should especially when she's innocent  
108:40 she stood up for herself you should see  
108:42 her as a hero not take the sign the cop  
108:45 just because you're a blind follower of  
108:47 a person with a badge and a gun that is  
108:49 so deadly there's such a dangerous  
108:51 society to live in if you take that  
108:54 position why didn't the cops just leave  
108:57 them alone couldn't they come up and  
109:00 said look if we come back in 30 minutes  
109:03 and your aunt isn't here we're gonna  
109:05 spill the booze out okay have a nice day  
109:06 why did he have to attack this girl  
109:09 that's what I'm trying to say to you now

109:13 you may hear soon from someone in  
109:15 television or on the internet that it  
109:18 was actually just staged by the Russians  
109:21 that the Russians staged this in order  
109:24 to cause dissension in America no no  
109:26 that'll be next that's a Russian plant  
109:28 the girl and the police actually worked  
109:31 for Putin and that the object here was  
109:34 to get rid of the cops the United  
109:36 states that's next that'll be tomorrow's  
109:38 news on one of the right wing websites  
109:40 that or Trump did it  
109:42 Trump's set it up to get your mind off  
109:44 his Russia collusion you'll start  
109:46 reading now you don't know how crazy

109:47 people are now let's play the first  
109:52 version of the bastard cop assaulting  
109:54 the woman on Jersey Shore and clip one  
110:06 [Music]  
110:21 what's your last use trying to get a  
110:23 phone number you piece of garbage  
111:13 any man listening to this who takes the  
111:15 side of the cop is not a man he's not a  
111:19 conservative he's not an American he's a  
111:22 zero I'll be back in a minute to take  
111:25 the zeros calls right here on the savage  
111:27 nation  
111:28 [Music]  
111:37 we're talking about a form of insanity  
111:40 here on the beach the Jersey Shore and

111:42 again I'm gonna go back to a book of  
111:44 mine that's coming out in October I know  
111:45 it's way ahead of its time it's called  
111:48 stop mass hysteria  
111:49 America's insanity from the Salem witch  
111:52 trials to the Trump witch hunt  
111:53 from the Red Scare to Russian collusion  
111:56 now what does that have to do with a  
111:58 girl being assaulted by cops on a beach  
112:00 well let's turn the clock back to Obama  
112:03 when Obama started the war on police it  
112:07 resulted in a homicide rate against  
112:10 police unseen in America in 50 years  
112:13 that's what happened as a result of  
112:15 Obama and holder who triggered violence

112:18 against police gave birth to a domestic  
112:21 terrorist group in my opinion called  
112:22 black lives matter and so as a result of  
112:25 that the police had become very jumpy  
112:27 and now you see the other side of the  
112:31 coin where two white cops guns and clubs  
112:35 go up to a skimpy a girl in a skimpy  
112:39 bikini a very attractive young lady  
112:41 wearing a bikini she's sitting on a  
112:43 beach minding her own business with her  
112:44 friends and her 18 month old little  
112:46 child and they start harassing her over  
112:48 an unopened bottle of wine  
112:51 they didn't say to her look you can't  
112:53 drink on the beach and I hear your

112:54 aunt's here if she comes back and you  
112:56 haven't got rid of it we're gonna spill  
112:57 it out to have a nice day no they  
112:59 escalate it they keep pushing her they  
113:01 make her take a breathalyzer which looks  
113:03 like a sexual assault unto itself I want  
113:05 you to watch the tape the guy uses the  
113:08 breathalyzer almost like a sex toy this  
113:10 is how sick this guy is that's number  
113:12 two so he pushes her and no she doesn't  
113:15 show any sign of drinking she's what do  
113:17 you want bothering me for I didn't do  
113:18 anything so when he finds she has no  
113:20 crime committed he says what's your name  
113:23 and she says I don't have to give it to

113:24 you and she's absolutely right who the  
113:26 hell is he to break her constitutional  
113:28 rights like that  
113:29 who gave this uneducated nobody Punk  
113:32 white-trash bum the right to do this to  
113:34 this child Charles on WABC go ahead  
113:39 you're on line eight hi Michael how are  
113:41 you um I actually watched a video  
113:43 earlier today and I obvious insertive I  
113:47 took me jerk position cops all right I'm  
113:49 listening to you now and  
113:51 you really alright and I think I think  
113:54 that in general this from the point that  
113:57 the truth is not right or left that's  
113:58 the truth you know that's right the

114:00 truth is not right a left the truth is  
114:02 not conservative or liberal the truth is  
114:05 in in in the eyes of the beholder no  
114:07 there is truth in behavior and there is  
114:12 nobody who could support these cops  
114:14 beating up this child over no crime she  
114:16 committed no crime Charles what crime  
114:19 that she actually commit other than  
114:20 talking back to this uneducated  
114:22 white-trash Punk right and Michael  
114:26 that's all that's all and the story  
114:28 obviously comes from a horrendous  
114:30 background he's had no respect his whole  
114:33 life so he took it out on his child and  
114:36 assaulted her that's all I can tell you

114:39 go watch the video please okay

114:43 some ksf O'Brien line five what's on

114:46 your mind go ahead please yeah Mike you

114:48 got it right on the money yes even in

114:51 training they refer to some time in the

114:53 breathalyzer the sexual toys and some of

114:55 these guys I've observed it myself when

114:58 especially giving appetizer to a woman

115:01 they want to see those lips on that

115:02 breathalyzer and that's what I wanted to

115:04 do you want it that's why you better be

115:06 a bright wait are you in a law

115:08 enforcement or you just know this from

115:10 people who are in training military and

115:15 civilian sometimes it's referred and

115:17 talked about and you see I used my  
115:19 intuition and when I watch the video I  
115:22 saw a perv cop using a breathalyzer as a  
115:25 sex toy that's exactly what I observed  
115:28 and it's under the color of law he was  
115:31 attempting the bang oh man did you hit  
115:33 the nail and then under the color of law  
115:35 and you know Brian I'm very glad that  
115:38 this is not about race this is not white  
115:40 cop black girl this is not black cop  
115:42 white girl thank God right this is white  
115:44 white this is right and wrong and these  
115:46 cops are so wrong that anyone who  
115:48 supports them I don't understand where  
115:50 they're coming from other than like you

115:52 said the other guy rather just said he's

115:54 an eager cop support until he watched a

115:56 tape then he said I'm sorry savage you

115:58 are right Mike no that's why I like

116:01 listening to your show because you stand

116:03 up for what is right and

116:05 true just like when John Kerry was asked

116:08 if he was a member of skull and bones

116:09 what did the cop do and the guy says

116:11 don't tase me bro and then it's please

116:13 same thing you know this girl is sitting

116:16 on it what if she was 16 years old and

116:17 just minding the bags and whatever stuff

116:20 on the beach was for for whatever right

116:24 look Brian you you know you can read it

116:26 as a man they were looking around they  
116:27 were frustrated hot day they see a  
116:29 beautiful young chick in a bikini what  
116:31 were they doing they say the way you  
116:32 didn't give us your name you're under  
116:34 arrest did you hear the reason for the  
116:35 arrest you didn't give us your name the  
116:38 guy wanted her phone number but a guy  
116:41 wanted her name and phone number it was  
116:45 a sexual assault first class when I come  
116:50 back Dan Horowitz he's taken the sight  
116:53 of cops and the sight of herbs on the  
116:56 savage nation for you  
116:57 [Music]  
117:08 let's cut to the chase here we're

117:10 arguing over something that's very  
117:12 disturbing body cam videos show cop  
117:15 hitting woman on a Wildwood beach New  
117:16 Jersey and her spinning back so the  
117:19 police released the body cam footage  
117:21 trying to exonerate the two of thug perv  
117:24 cops who went up to harass this poor  
117:27 girl to get her phone number and to date  
117:29 her  
117:30 you could see them uglier while they're  
117:31 talking to her now what started this  
117:33 arrest to begin with they went up to her  
117:37 she's 20 years old she's on the beach  
117:39 with her 18 month-old child and her  
117:41 boyfriend these two little punk cops

117:44 come up to her and they confront her as  
117:47 they discover alcoholic iced tea drinks  
117:50 in her possession what a crime what a  
117:54 great use of police Wow  
117:56 she had an unopened bottle of an  
117:58 alcoholic iced drink now he wasn't out  
118:01 there in the sticks looking for crack  
118:03 dealers from Mexico he wasn't stopping  
118:06 the heroin trade coming in over the  
118:07 border he was arresting an 8 20 year old  
118:11 kid in front of our child  
118:13 so he says to a take a breathalyzer she  
118:16 takes it she hadn't been drinking she  
118:18 said I wasn't drinking so then he says  
118:21 give me your last name the so called

118:23 officer she says you don't need my last  
118:26 thing and she starts to walk away from  
118:28 the cop cop says all right that's it I'm  
118:30 done with you he asks the other punk cop  
118:33 for handcuffs and she screams don't  
118:36 effing touch me cop says you're about to  
118:39 get dropped when he tries to arrest her  
118:42 she resists thank God  
118:43 she's a fighter and she curses him good  
118:46 for her  
118:47 then the officer punches her in the face  
118:49 twice while being cuffed in the sand she  
118:53 turns her head toward the arresting thug  
118:56 and spits in his direction before she  
118:58 has taken away to awaiting police

118:59 vehicle yes she was spitting sand out of  
119:02 her mouth so she didn't choke to death  
119:04 this is so clear that anyone who  
119:06 supports the police are either faking it  
119:09 for ratings or they're not really a man  
119:12 Dan Horowitz welcome to the savage  
119:14 nation Dan you've done both sides of the  
119:16 law you've defended cops haven't you I  
119:18 sure have  
119:20 this is Dan Horowitz my attorney you've  
119:24 defended many police is that correct yes  
119:26 I have Michael and you've defended many  
119:28 very violent gang members I know that's  
119:30 perfect right and I've defended both  
119:32 innocent people and guilty people and

119:34 this woman is innocent

119:35 okay tell us I'm gonna shut up now it's

119:38 hard for me to do I guess I'm very

119:39 emotional over this Dan this to me

119:41 you're a father you're a father what did

119:44 you as a man feel forget the law for one

119:46 minute when you watch this tape okay you

119:48 know what I saw cuz you know me I felt

119:50 like punching the cop in the face and

119:52 let him let him do what he's going to do

119:53 back with all of his thugs and their

119:56 weapons but I would beat the crap out of

119:57 him first well I know you were a tough I

120:02 know you fought a lot in Richmond Hill

120:03 when you grew up you wouldn't I mean you

120:05 know not particularly big guy but you

120:07 wouldn't take crap you were bullied but

120:09 you gave pretty good you're a fighter

120:11 that's why I love you and you're the

120:13 type that would have stood up to the

120:15 Nazis you would have gone into the woods

120:16 and killed Germans and taking their guns

120:18 doesn't and let's talk about not the law

120:20 now doesn't this girl look like a

120:22 resistance fighter to you the type that

120:24 would have gone and fought against them

120:25 yeah and who knows what her background

120:28 is but she's tough and she's smart and

120:30 you pointed out earlier today that she

120:33 called them you you thought you were

120:35 gonna bust me for being under underage

120:37 and I'd had nothing to drink and that's

120:39 why you're mad she called them on it

120:41 she's a smart woman so Dan from from a

120:45 legalistic point of view what kind of

120:47 case does she have what are the charges

120:48 against the cops all right so I've

120:50 looked at this very carefully Michael

120:52 and I've looked at both sides I talked

120:53 to this guy John Zarek who's an attorney

120:56 down by that Beach community and he gave

120:59 me the and he's a defense attorney but

121:01 he said look the cops had a right to

121:03 stop her for alcohol they had a right to

121:06 cite her give her a summons because she

121:09 was underage and she had to give her  
121:11 name so they had a right to do what they  
121:13 did then on the other side I talked to  
121:15 Tom ken sack this is a guy who's a DA  
121:17 for 30 years and he had a quote he  
121:20 wanted me to quote him we pay the cops  
121:22 to keep the peace  
121:23 these cops escalated the situation it  
121:26 doesn't matter if they're technically  
121:27 right or wrong they're wrong but I'm  
121:30 going to tell you something  
121:31 I caught the cop line  
121:33 on the video that you told us all to  
121:35 watch and that's at 7:19 everybody  
121:38 should watch at 7:19 a supervisor comes

121:41 by and this bully cop says to a  
121:44 supervisor quote i go to stop her for  
121:48 underage drinking well he didn't stop  
121:51 her for underage drinking she was  
121:53 cleared of that he went to stop him  
121:55 because she walked away she was in his  
121:57 face and she was resisting him with an  
122:00 intellect that he didn't have that's my  
122:03 position now I can see why you are are a  
122:06 great defense attorney but Dan aside  
122:09 from that if you were defending this  
122:11 young lady what about the psychological  
122:14 damage to her her 18 month old child to  
122:16 watch this whole thing see you I  
122:19 actually go to you for child questions

122:21 everybody doesn't know that but I code

122:23 you know for advice on kids will an 18

122:26 months old child feel the tension and

122:28 the stress of this and carry it around

122:30 on some level the rest the rest of her

122:33 life children remember everything

122:35 infants remember everything absolutely a

122:37 hundred percent all right there you go

122:40 then that kid should sue and the mother

122:42 should sue and and this cop should be

122:44 arrested for assault because he didn't

122:47 have to assault her I have cops in my

122:49 town of Lafayette who have been faced

122:52 with a person with a weapon and when

122:53 they approached him to arrest him and

122:55 stop him they took their non violent  
122:57 weapons out only never pulled their gun  
122:59 even though quote they were allowed to  
123:02 pull the gun and use deadly force they  
123:04 risk their life and it D escalated and  
123:06 no one was hurt how can you Dan I got  
123:09 people on my site who are saying they  
123:13 didn't really punch her they punched her  
123:15 with the side of their hand and these  
123:17 people actually think they're  
123:18 conservatives then send them over to my  
123:20 office I'll punch them with the side of  
123:22 my hand like that since it's so much fun  
123:24 what kind of idiot says something like  
123:26 that if you see the fools that are on

123:28 Twitter you would get sick yet and the  
123:30 fact of the matter is it's one of the  
123:32 most it's the last refuge for the losers  
123:35 in society who would take a position  
123:38 like that they were only hitting them  
123:39 with the side of their hand I think they  
123:41 have the right did they have the right  
123:43 by the way under any condition this  
123:44 strike the look that girl in the face  
123:46 with their hand  
123:46 no I mean these are big burly guys with  
123:50 of course they only have eight weeks  
123:51 training and and they get to walk around  
123:54 a badge and a gun and they couldn't  
123:56 control this little tiny woman who was

124:01 basically just terrified she was

124:03 squirming around a little bit the guy I

124:05 mean truthfully Michael if you turned

124:06 off the sound and you looked at a

124:08 different way it's an awful lot like a

124:10 rape now I'm not saying that they were

124:11 trying to rape her

124:13 but it's that same dynamic Dan I saw

124:15 sexual assault when I watched it I know

124:17 you did you know I saw a frustrated cop

124:21 yes using anything he could to get to

124:24 that girl and get her on the ground and

124:26 throw his body on her right and and in

124:28 the dynamics of men against women yes

124:31 he's not directly sexually assaulting

124:33 her but to her the way it felt the way

124:36 it looked and the way maybe even his

124:38 motivation was certainly disgusting and

124:41 that's the best I can say so let's back

124:44 the whole thing up he had the technical

124:46 right to arrest to it to cite her or

124:49 arrest her for having an unopened bottle

124:51 of booze I guess nowadays you can even

124:54 arrest somebody for running a stop light

124:56 he could have arrested her although you

124:59 know it's tough to say that it was her

125:01 booze she was there she was in the

125:03 presence of the booze she said what she

125:05 said it was her aunts booze it was

125:07 unopened then oh no you hear this

125:09 alcoholic iced tea now Dan this is not a  
125:11 group of Mexican gang members with with  
125:13 with heroin this is not a car coming  
125:16 through and this is not a car coming  
125:18 through a fearless posix town with  
125:20 methamphetamine in the trunk this is a  
125:22 child on a beach in a bikini in front of  
125:25 her infant right and we're not arguing  
125:28 that people should be able to get drunk  
125:29 on the beach and that's one thing that  
125:30 it's better tourney's Eric said they  
125:31 want to stop violence and on the beach I  
125:34 want people to get raped on the beach  
125:36 but this is not that this is just a  
125:39 young person who might have been

125:40 planning to drink and secret let's let's

125:42 say that it could have happened maybe

125:43 the aunt really was coming wasn't coming

125:45 but you don't beat her up push her face

125:48 into the sand and treat her like garbage

125:50 for being a normal young person he just

125:54 dog on tuesday wildwood mayor ernie

125:57 Troiano jr. said that Wyman's

126:00 at the officers before the arrest

126:02 provoking them the mayor

126:04 Ernie Troiano said she assaults them she

126:07 spits at them she kicks them at that

126:09 point the police officer did what he had

126:11 to do what do you say to that well first

126:13 of all you know I have to we should not

126:15 even assume that he had a right to stop  
126:17 her because she's walking away she's not  
126:19 under the influence of alcohol there's  
126:21 no evidence that that alcohol really  
126:23 belonged to her it was not open they  
126:25 didn't have a right to stop her she had  
126:27 a right to resist their excessive force  
126:30 by reasonable resistance spinning us  
126:33 nothing they punched her they threw her  
126:35 to the ground they piled on top of her  
126:37 like animals she has a right to spit and  
126:40 you know what else Michael she's  
126:41 terrified when she's screaming you're  
126:43 choking me you're choking me you and I  
126:45 know that she's not being choked because

126:47 she can still speak on the other hand

126:50 she's terrified and she's feeling fear

126:53 and she's responding with fear getting

126:55 back to what Ken sock said to me you are

126:57 supposed to de-escalate you're supposed

127:00 to talk your way through it

127:01 you're supposed to make the peace and

127:03 keep the peace as a cop not push buttons

127:06 and make things worse and worse and then

127:08 say well I'm okay I can touch her

127:09 because she resisted what kind of idiot

127:11 says that I'll tell you what kind of

127:13 idiot says that a man who's got eight

127:14 weeks of minimal training as a cop and

127:16 is basically a thug security guard

127:18 pushing people around

127:20 on a beach the officers involved in the

127:23 arrest were just named their patrolman

127:25 Thomas cannon John Hillman and Robert

127:28 Jordan all of them are so-called class

127:30 two special law enforcement officers

127:34 okay

127:35 now the governor of New Jersey Murphy

127:39 has responded as following he said he

127:42 responded to quote a pretty dawn

127:44 disturbing video of Wildwood officer

127:46 punching woman and head okay that's a

127:48 neutral position he called for a speedy

127:50 investigation into the video that showed

127:52 police punching the girl the young woman

127:54 in the head Dan if you were the officers  
127:58 attorney on the other side Dan Horowitz  
128:00 is there any defense for what he did  
128:03 other than the laws on his side up to a  
128:05 point I think really the only defense is  
128:08 that it wasn't an intentional assault  
128:11 he wasn't very well trained  
128:13 and it was a mistake of judgment and you  
128:15 apologize profusely that's what that's  
128:17 what he should hold that's a very  
128:19 interesting position what you just said  
128:21 so things got out of hand he lost  
128:23 control is that an excuse for a cop to  
128:26 punch a 20 year old girl in the face  
128:27 twice no it's not an excuse but it might

128:29 stop the federal government from in  
128:31 dining hymns to civil rights violations  
128:33 which I hope the US Attorney's Office  
128:36 does since the cops in in in in that  
128:40 town are apparently you know security  
128:42 guards who get themselves police  
128:45 officers and beat people up and the  
128:47 mayor seems to like that I can hear  
128:50 you're actually emotionally involved in  
128:52 you got me emotionally I was calm about  
128:55 it until I listened to the first hour of  
128:57 your show all right so here's what we're  
128:59 gonna do Dan Horowitz and everyone else  
129:01 I want you to listen to the clip number  
129:04 two hold it a minute Clint anyone

129:06 listening to this young girl is 20 year  
129:08 old girl screaming and you take the side  
129:11 of the cop I want you to go look in the  
129:13 mirror and ask yourself what you will  
129:15 become  
129:15 listen to  
129:47 [Applause]  
130:01 so he says to her you're about to be  
130:04 dropped Dan then he says sit like she's  
130:07 a dog and she won't comply did you hear  
130:10 those key words then oh yeah and the way  
130:12 they did he says that they're her you're  
130:14 about to be dropped like she's a  
130:16 football then he says to a sit like  
130:19 she's a dog then she screams you're not

130:21 allowed to do this to me I'm a woman as  
130:25 a man dan you know that every protective  
130:27 instinct that you was triggered by that  
130:29 girl scream am i correct yeah I mean I  
130:31 can't even tell you on the air than some  
130:33 of the things I thought okay I'll be  
130:36 back to take the calls right here on the  
130:38 savage nation  
130:52 are before we go back to the horrible  
130:55 stories of the day I'm gonna talk about  
130:57 something that shouldn't be a horror for  
130:59 you which is home security and that is  
131:02 simply safe that's why I chose them as a  
131:04 sponsor because all of you must  
131:07 understand that that's simply safe they

131:09 obsess over details more so than any  
131:11 other home security company I've ever  
131:13 found example here simply safe has a  
131:16 camera you can control from your own  
131:17 phone but they want to protect your home  
131:18 and your privacy  
131:19 so simply safe came up with this  
131:21 brilliant idea a privacy shutter for  
131:23 their camera now simply safe wanted you  
131:25 to be able to hear the shutter clicks  
131:27 you know it's closed they wanted Emma  
131:28 lighten it so you could easily tell when  
131:29 it's on and they needed it to work for  
131:31 the entire lifespan of the system so  
131:33 they got to work they test the different

131:34 metals hinge designs months and months

131:36 and when they come up with an effective

131:38 home security camera with a thin

131:39 lightweight aluminum privacy shutter

131:42 that will work each and every time it's

131:44 that kind of attention to detail that

131:45 sets simply safe apart and keeps your

131:48 family safe simply save isn't just home

131:50 security it's home security done 100%

131:53 right I want you to check out simply

131:55 safe today at a special website and that

131:57 is simply safe savage calm write it down

132:00 go on it's simply safe savage that come

132:02 to learn more about simply safe today

132:04 simply safe savage calm now we're almost

132:07 at a time I'm gonna have my attorney Dan

132:10 Horowitz back at the top of the next

132:12 hour - to take savage callers who want

132:15 to argue this case in the court of

132:18 public opinion which is on the savage

132:19 nation and I will tell you right now I

132:22 cannot speak for any other show in the

132:24 business all savage callers that you

132:27 have ever heard on this show today or

132:29 any other day are 100% pure there none

132:32 of them are paid actors none of them are

132:34 in the employ of the syndication company

132:36 nor of this program none of them work

132:39 for me they are 100% pure none are paid

132:42 actors I cannot speak for anyone else

132:44 but I make that statement because that

132:46 is why the show is so natural all

132:50 callers are 100% pure Chris on WABC

132:55 you're gonna have the last word this

132:57 hour fire away on the beach girl scene I

132:59 thank you dr. Savage first and foremost

133:01 a her attorney she's wildly unimpressive

133:04 he

133:04 seems unsure about getting the charges

133:05 dropped against higher forget about

133:07 pursuing these balance you know you're

133:10 right you know you're right I heard that

133:11 too Chris good point okay now what you

133:14 need to understand dr. savage is how

133:16 prevalent this is along the Jersey Shore

133:18 all of those Department and

133:20 unfortunately this may undermine the

133:23 sexual connotation of it but all of

133:25 those departments are purely in the

133:27 money-making business that girl had no

133:29 no business even taking a breathalyzer

133:31 she was not committing a crime she

133:34 wasn't doing anything that should

133:36 involve a police officer whatsoever they

133:38 were aggressive they're out there they

133:40 arrest so they were looking to get a

133:42 citation for a citation going for the

133:44 money like a fake speeding ticket in

133:46 Georgia for example absolutely right why

133:48 do you think that the mayor and the

133:49 police chief everybody's on board with

133:51 the officers they're there to make money

133:54 well I'll leave it at that

133:56 I don't argue with you it's a business

133:58 like any other Michael Savage a host

134:02 like no other
